CONSUMER SCIENCE (CNSR SCI)

CNSR SCI 111 — FINANCIAL LIFE SKILLS FOR UNDERGRADUATES
1 credit.

Applied personal finance course to provide undergraduates in their first two years of college (freshman and sophomores) the knowledge and tools needed to successfully manage personal finances during their college years. Topics include financial values and behaviors, credit and student loans, housing, transportation, financial services, and spending and saving plans.

**Requisites:** Freshman or Sophomore standing only

**Repeatable for Credit:** No

**Last Taught:** Fall 2017

CNSR SCI/RELIG ST 173 — CONSUMING HAPPINESS
3 credits.

As the saying goes, money can’t buy happiness – but in modern America, we certainly try. This course will provide an overview of the study of happiness and well-being, examine how consumers engage in consumption in pursuit of happiness, as well as explore the emergence of the experience economy, and the intersection of money and well-being. Students will read academic and popular pieces on positive psychology, prosocial spending and explore the psychology of persuasion in the promises associated with this industry. In addition to integrating visual media, students will have the opportunity to experience first-hand whether the advice works in their own lives.

**Requisites:** None

**Repeatable for Credit:** No

**Last Taught:** Fall 2017

CNSR SCI 201 — CONSUMER RESEARCH & ANALYSIS
3 credits.

This course provides basic training in quantitative data analysis, with an emphasis on descriptive and inferential statistics with consumer research applications.

**Requisites:** STAT 301, GEN BUS 303, CE SOC/SOC/C&E SOC 360, or GEOG 360

**Repeatable for Credit:** No

**Last Taught:** Fall 2017

CNSR SCI 250 — RETAIL LEADERSHIP SYMPOSIUM
1 credit.

Provides detailed examination of careers in the retailing industry. High level industry experts from leading companies in the retailing industry participate as guest speakers and panel members.

**Requisites:** None

**Repeatable for Credit:** Yes, unlimited number of completions

**Last Taught:** Fall 2017

CNSR SCI 251 — FINANCIAL SERVICES LEADERSHIP SYMPOSIUM
1 credit.

Provides detailed examination of careers in the financial services industry. High level industry experts from leading companies in the financial services industry participate as guest speakers and panel members.

**Requisites:** None

**Repeatable for Credit:** Yes, for 2 number of completions

**Last Taught:** Fall 2017

CNSR SCI 255 — CONSUMER FINANCIAL SERVICES INNOVATION
3 credits.

This course allows students to experience the current financial services market from the perspective of real families and then to design, develop and evaluate innovative solutions to improve service or address unmet needs.

**Requisites:** None

**Repeatable for Credit:** No

CNSR SCI 257 — INTRODUCTION TO RETAILING
2 credits.

Foundational knowledge of the retail industry including the retailing process, the evolution of the industry, key drivers and trends to provide students with a framework and set of concepts that will support the remainder of the core retail courses.

**Requisites:** None

**Repeatable for Credit:** No

**Last Taught:** Fall 2017

CNSR SCI 273 — FINANCES & FAMILIES
3 credits.

For the majority of Americans, money and family life is intertwined. This course will educate future financial planners on the basics of relationship formation and dissolution, gender and family dynamics and the psychology of money with the goal of encouraging financial equality among members of families of all types.

**Requisites:** None

**Repeatable for Credit:** No

**Last Taught:** Fall 2017

CNSR SCI 275 — CONSUMER FINANCE
3 credits.

An introduction to concepts and methods used in personal and family financial planning. Methods for planning and allocating resources to attain specific financial objectives are discussed. Topics include investments in real and financial assets, consumer credit issues, and insurance, pension, tax, and estate planning.

**Requisites:** None

**Repeatable for Credit:** No

**Last Taught:** Fall 2017

CNSR SCI 299 — INDEPENDENT STUDY
1-3 credits.

Directed study projects for freshmen and sophomores as arranged with a faculty member.

**Requisites:** Consent of instructor

**Repeatable for Credit:** Yes, unlimited number of completions

**Last Taught:** Fall 2016
CNSR SCI 301 — ADVANCED CONSUMER ANALYTICS
3 credits.
By the end of this semester, you will be able to leverage data analysis to drive consumer business decisions via the telling of a compelling, evidence-based story. The course is structured 1) to provide you with a core process by which data analysis can produce effective business actions, 2) to build your analytical abilities to execute the process and 3) to establish a method by which analytical results can be transformed into effective stories. The process and methods studied in this course will have application across a broad range of careers.
Requisites: None
Repeatable for Credit: No
Last Taught: Fall 2017

CNSR SCI 321 — FINANCIAL LIFE SKILLS FOR LIFE AFTER GRADUATION
1 credit.
This is an applied personal finance course that provides students nearing graduation (juniors and seniors) the knowledge and tools needed to successfully manage personal finances after college. Topics include financial values and behaviors, credit and student loans, housing, transportation, financial services, retirement planning, investing, and spending and saving plans. Not open to graduate students
Requisites: Junior standing.
Repeatable for Credit: No
Last Taught: Fall 2017

CNSR SCI 340 — BUILDING FINANCIAL ASSETS AND CAPABILITY FOR VULNERABLE FAMILIES
3 credits.
This course prepares students to help assess and prevent household financial problems and improve financial security. Based on the context of vulnerable households, financial services and public policy, this course focuses on skills related to managing cash flow, credit and debt, saving for emergencies and long-term goals.
Requisites: Satisfied Communications A requirement
Repeatable for Credit: No
Last Taught: Fall 2017

CNSR SCI 350 — MEDIATION: A MECHANISM FOR SERVING THE CONSUMER INTEREST
3 credits.
Will examine the area of dispute resolution for consumer complaints mediated by consumer affairs professionals. Discussion of how mediation empowers the consumer interest; consumer complaint behavior; and areas of dispute in industry and government will be integral parts of this course.
Requisites: None
Repeatable for Credit: No
Last Taught: Fall 2011

CNSR SCI 355 — FINANCIAL COACHING
3 credits.
Financial coaching is an approach influenced by the fields of positive psychology and behavioral economics to help individuals build financial capability. This experiential course will prepare students for financial, social work, and asset building services.
Requisites: None
Repeatable for Credit: No
Last Taught: Fall 2017

CNSR SCI 360 — SUSTAINABLE AND SOCIALLY JUST CONSUMPTION
3 credits.
Examines how consumers influence sustainability and social justice through their purchases and how policy and globalization influence their choices. Students conduct original consumer research, and present their findings in an oral presentation and a research paper.
Requisites: None
Repeatable for Credit: No
Last Taught: Fall 2017

CNSR SCI 370 — COMPUTER APPLICATIONS IN RETAILING
3 credits.
Application of computer technology and analysis within the retailing environment. Topics include: merchandise inventory control and distribution, trend analysis and forecasting, electronic POS systems, credit authorization and control, store design and planning, and ethical issues.
Requisites: CNSR SCI 257
Repeatable for Credit: No
Last Taught: Fall 2011

CNSR SCI/HDFS 465 — FAMILIES & POVERTY
3 credits.
This course introduces students to research at the intersection of family and poverty studies. We will learn how family behaviors vary by socioeconomic status; how romantic relationships, childbearing, and childrearing may be implicated in poverty; what the consequences of poverty are for family functioning and children; and about the role of policy in influencing families and poverty.
Requisites: Sophomore standing
Repeatable for Credit: No
Last Taught: Summer 2017

CNSR SCI 470 — HISTORY OF CONSUMER MOVEMENTS IN THE UNITED STATES
3 credits.
A survey of the historical interpretations and analyses of consumer activist efforts in the United States from the mid-nineteenth century to the late twentieth century.
Requisites: Sophomore standing
Repeatable for Credit: No
Last Taught: Fall 2010
CNSR SCI 475 — FAMILY ECONOMICS
3 credits.
Analysis of the family as a unique economic unit in the changing American economy.
Requisites: ECON 101 or 111
Repeatable for Credit: No
Last Taught: Fall 2011

CNSR SCI 477 — THE CONSUMER AND THE MARKET
3 credits.
Analysis of the consumer’s market, consumer’s behavior, and government policies affecting the consumer in the American economy.
Requisites: ECON 101 or 111
Repeatable for Credit: No
Last Taught: Spring 2017

CNSR SCI 478 — CONSUMER INFORMATION
3 credits.
Analysis of information available to consumers; evaluation of its sources and its quality. Examination of consumers’ and consumerists’ efforts to obtain information and to influence information sources. Evaluation of consumers’ performances in the marketplace under conditions of incomplete information.
Requisites: CNSR SCI 477
Repeatable for Credit: No
Last Taught: Spring 2011

CNSR SCI 501 — SPECIAL TOPICS
1-3 credits.
Specialized subject matter of current interest to undergraduate students. Prerequisites vary by topic.
Requisites: None
Repeatable for Credit: Yes, unlimited number of completions
Last Taught: Spring 2017

CNSR SCI 503 — PREPARATION FOR RETAILING INTERNSHIP
1 credit.
Course prepares students for the competitive interviewing process required for retailing internship placement. Students research individual companies, analyze industry trends, and develop strategies for effective interviewing.
Requisites: Consent of instructor
Repeatable for Credit: No
Last Taught: Fall 2015

CNSR SCI 527 — CONSUMER SPENDING AND SAVING OVER THE LIFECYCLE
3 credits.
Analysis of consumer patterns of spending and saving from a lifecycle perspective. Introduces consumption theory and economic, social and psychological factors affecting consumption patterns.
Requisites: Must have Junior standing and completion of Consumer Science 275
Repeatable for Credit: No
Last Taught: Fall 2016

CNSR SCI 555 — CONSUMER STRATEGY & EVALUATION
3 credits.
Leveraging a combination of design thinking and strategic planning, students will design a clear plan of action with compelling evidence for expected outcomes, implement the proposed plan with contingencies for the inevitable challenges and adjustments, and evaluate impact relative to goals with objective recommendations for future action.
Requisites: Junior standing
Repeatable for Credit: No
Last Taught: Fall 2017

CNSR SCI 560 — RETAIL PROMOTION
3 credits.
Developing store image through visual merchandising, advertising, sales, and other promotional activities.
Requisites: CNSR SCI 257
Repeatable for Credit: No
Last Taught: Spring 2015

CNSR SCI 561 — RETAIL CHANNEL STRATEGY & OMNI-CHANNEL RETAILING
3 credits.
This course immerses students in the effective design of retail channel strategies, where channels include physical stores, ecommerce, mobile, television and catalog. Special attention is paid to the ways in which retailers and consumers leverage more than one channel to create innovative and relevant experiences to enhance value and relationships. Students leverage the SoHE Digital Sandbox to experience these channels firsthand, constructing and testing their own omnichannel retail experiences.
Requisites: Junior standing
Repeatable for Credit: No
Last Taught: Spring 2017

CNSR SCI 564 — RETAIL FINANCIAL ANALYSIS
3 credits.
Provides tools for planning and analyzing retail financial performance. Includes elements of retail financial statements, pricing, purchasing terms and conditions, merchandise planning, inventory control, and economic factors that impact retail businesses.
Requisites: (ACCT I S 100, ACCT I S 300, or GEN BUS 310) and CNSR SCI 257
Repeatable for Credit: No
Last Taught: Fall 2017

CNSR SCI 680 — SENIOR HONORS THESIS
2-4 credits.

Individual study for seniors completing theses for Human Ecology honors degrees as arranged with a faculty member.

Requisites: Consent of instructor
Course Designation: Honors - Honors Only Courses (H)
Repeatable for Credit: Yes, unlimited number of completions
Last Taught: Spring 2011

CNSR SCI 690 — SENIOR THESIS
2 credits.

Individual study for seniors completing theses as arranged with a faculty member.

Requisites: Consent of instructor
Repeatable for Credit: Yes, unlimited number of completions
Last Taught: Fall 1999

CNSR SCI 699 — INDEPENDENT STUDY
1-6 credits.

Directed study projects for juniors and seniors as arranged with a faculty member.

Requisites: Consent of instructor
Repeatable for Credit: Yes, unlimited number of completions
Last Taught: Fall 2017

CNSR SCI 748 — THE ECONOMIC ORGANIZATION OF THE HOUSEHOLD
3 credits.

Applies intermediate microeconomic theory to analyze household resource allocation decisions. Surveys current household economic decision theories and models. Life cycle analysis of goods and service consumption, intrahousehold paid work, household production and leisure time allocation, household decisions about fertility, marriage and divorce. A prior intermediate microeconomics course is recommended.

Requisites: Graduate or professional standing
Repeatable for Credit: No
Last Taught: Spring 2014

CNSR SCI 888 — ADVANCED CONSUMER BEHAVIOR
3 credits.

The purpose of this class is to provide graduate students with a broad-based knowledge of the consumer behavior literature. The objective of the course is to develop students as active researchers in fields that require an understanding of consumer research. A prior undergraduate or graduate course in consumer behavior is recommended.

Requisites: Graduate or professional standing
Repeatable for Credit: No
Last Taught: Fall 2017

CNSR SCI 901 — GRADUATE SPECIAL TOPICS IN CONSUMER SCIENCE
1-3 credits.

Specialized subject matter of current interest to graduate students.
Prerequisites vary by topic
Requisites: Graduate or professional standing.
Repeatable for Credit: Yes, unlimited number of completions
Last Taught: Fall 2017

CNSR SCI 930 — SEMINAR IN FAMILY ECONOMIC POLICY
3 credits.

Graduate seminar on family economic well-being and the social and consumer policies that influence economic behavior and family economic status. Topics vary each year.

Requisites: Graduate or professional standing
Repeatable for Credit: Yes, unlimited number of completions
Last Taught: Spring 2017

CNSR SCI 960 — SEMINAR IN CONSUMER RESEARCH
1-3 credits.

The identification of concepts, frameworks and theories used in consumer research. An introduction to and critique of selected topical areas of consumer research.

Requisites: Graduate or professional standing
Repeatable for Credit: Yes, unlimited number of completions
Last Taught: Fall 2011

CNSR SCI 990 — RESEARCH AND THESIS
1-12 credits.

Independent research and writing for graduate students under the supervision of a faculty member.

Requisites: Consent of instructor
Repeatable for Credit: Yes, unlimited number of completions
Last Taught: Fall 2017

CNSR SCI 999 — INDEPENDENT STUDY
1-3 credits.

Directed study projects for graduate students as arranged with a faculty member.

Requisites: Consent of instructor
Repeatable for Credit: Yes, unlimited number of completions
Last Taught: Fall 2017
