OCC THER 100 — ORIENTATION TO OCCUPATIONAL THERAPY
1 credit.
An opportunity to explore occupational therapy as a potential career; introduction to the general concepts of human occupation and adaptation; survey of OT practice settings and clinical groups. Enroll Info: None
Requisites: None
Repeatable for Credit: No
Last Taught: Spring 2019

OCC THER/L I S/NURSING 517 — DIGITAL HEALTH: INFORMATION AND TECHNOLOGIES SUPPORTING CONSUMERS AND PATIENTS
3 credits.
Increases student understanding of appropriate and accurate materials for consumer health and family education; the ethical and organizational policy issues that arise when providing consumer and family health information in different settings; the role of the public media in disseminating health information; the health-related information needs and preferences of racial/ethnic minority populations. It also provides an introduction to health information technologies, from search engines to websites to apps, that put people in charge of managing their own health information. Enroll Info: None
Requisites: Junior standing
Course Designation: Breadth - Social Science
Level - Advanced
L&S Credit - Counts as Liberal Arts and Science credit in L&S
Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: No
Last Taught: Spring 2019

OCC THER 610 — PROFESSIONAL SKILLS I: PROFESSIONAL PRACTICE IN OCCUPATIONAL THERAPY
2 credits.
The nature of professionalism and the development of the profession of occupational therapy; professional ethics; settings in which occupational therapists practice; the therapeutic process including principles of testing and measurement and documentation as these relate to occupational therapy practice. Enroll Info: Current enrll in MS in occ ther or cons inst
Requisites: None
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: No
Last Taught: Fall 2018

OCC THER 611 — PROFESSIONAL SKILLS II: COMMUNICATION & INTERPERSONAL SKILLS IN OT
2 credits.
Communication with clients in occupational therapy, collaboration with other professionals about patient care and communicating with the public about occupational therapy; group dynamics and functional groups in occupational therapy; issues of culture and difference related to occupational therapy practice. Enroll Info: Current enrll in MS in occ ther or cons inst
Requisites: None
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: No
Last Taught: Spring 2019

OCC THER 612 — PROFESSIONAL SKILLS III: ORGANIZATION AND MANAGEMENT IN OT PRACTICE
3 credits.
Principles and practices of organization and management and their application in both traditional and innovative occupational therapy practice settings. Enroll Info: Current enrll in MS in occ ther or cons inst
Requisites: None
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: No
Last Taught: Fall 2018

OCC THER 613 — PROFESSIONAL SKILLS IV: COMMUNITY-BASED OT PRACTICE
2 credits.
Knowledge and skills related to the practice of occupational therapy in innovative practice settings including occupation-based program planning and grant writing. Offered during the final semester on campus, also addresses issues related to career development in occupational therapy. Enroll Info: Current enrll in MS in occ ther or cons inst
Requisites: None
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: No
Last Taught: Spring 2019

OCC THER 620 — OCCUPATIONAL-BASED THEORY AND PRACTICE
2 credits.
Theories of human occupation. Research related to the form, function, and meaning of daily occupations for the individual and society. Enroll Info: Current enrll in MS in occ ther or cons inst
Requisites: None
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: No
Last Taught: Fall 2018
OCC THER 621 — ASSESSMENT OF OCCUPATIONAL PARTICIPATION
3 credits.

Skills required for assessment of occupational participation in various settings including the demands inherent in occupations, an individual's capacity to participate in the occupation, and environmental factors constraining and supporting participation. Enroll Info: Current enrł in MS in occ ther or cons inst
Requisites: None
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: No
Last Taught: Spring 2019

OCC THER 622 — INFANT AND CHILDHOOD OCCUPATIONS AND THERAPEUTIC INTERVENTIONS
4 credits.

Current research, theory, and core concepts relating to the therapeutic use of occupations to facilitate participation of children with disabilities and their families in everyday routines within their communities. Enroll Info: Current enrł in MS in occ ther or cons inst
Requisites: None
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: No
Last Taught: Spring 2019

OCC THER 623 — ADOLESCENT AND YOUNG ADULT OCCUPATIONS AND THERAPEUTIC INTERVENTIONS
4 credits.

Theoretical foundations of occupational science related to occupational participation typically encountered during the adolescent and young adult years including the development of occupational engagement, conditions that may disrupt occupational roles, assessment, and therapeutic intervention processes. Enroll Info: Current enrł in MS in occ ther or cons inst
Requisites: None
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: No
Last Taught: Fall 2018

OCC THER 624 — MIDDLE AND LATE ADULTHOOD OCCUPATIONS AND THERAPEUTIC INTERVENTIONS
4 credits.

Theoretical foundations of occupational science as related to occupational participation typically encountered during the middle and late adulthood including the development of occupational engagement, conditions that may disrupt occupational roles, assessment, and therapeutic intervention processes. Enroll Info: Current enrł in MS in occ ther or cons inst
Requisites: None
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: No
Last Taught: Spring 2019

OCC THER 625 — LEVEL-I FIELDWORK: INFANTS AND CHILDREN
1 credit.

Supervised clinical experience involving occupational therapy practice with children; companion course to Ther Sci 622. Enroll Info: Current enrł in MS in occ ther or cons inst
Requisites: None
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: No
Last Taught: Spring 2019

OCC THER 626 — LEVEL-I FIELDWORK: ADOLESCENTS AND YOUNG ADULTS
1 credit.

Supervised clinical experience involving occupational therapy practice with adolescents and young adults; companion course to Ther Sci 623. Enroll Info: Current enrł in MS in occ ther or cons inst
Requisites: None
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: No
Last Taught: Fall 2018

OCC THER 627 — LEVEL-I FIELDWORK: MIDDLE AND LATE ADULTHOOD
1 credit.

Supervised clinical experience involving occupational therapy practice with adults and elders; companion course to Ther Sci 624. Enroll Info: Current enrł in MS in occ ther or cons inst
Requisites: None
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: No
Last Taught: Spring 2019

OCC THER 629 — MEDICAL LECTURES FOR OCCUPATIONAL THERAPY
2 credits.

The study of medical and surgical management of individuals with a variety of orthopedic and neurological conditions relevant to occupational therapy practice. Lectures are presented by UW Hospital medical staff and occupational therapists experienced in the treatment of these conditions. Enroll Info: ANATOMY 622; current enrł in MS in occ ther prgm or cons inst
Requisites: None
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: No
Last Taught: Fall 2018
OCC THER 640 — APPLIED NEUROANATOMY FOR ALLIED HEALTH PROFESSIONALS
3 credits.
Overview of neuroanatomical structures relevant for students in allied health professional training who work with clinical populations. The anatomical regions deemed most significant to practice, given current understandings of the brain and its function, will be explored. The primary focus is on the anatomical regions, neurophysiology, and resultant observable phenomenology related to human function as well as practical clinical application and current research findings. Enroll Info: None.
Requisites: Graduate/professional standing
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: No
Last Taught: Fall 2018

OCC THER 662 — LEVEL II FIELDWORK A
6 credits.
The first of two twelve-week, full-time supervised experiences of applied occupational therapy practice. Student conducts evaluations and provides treatment under supervision for an assigned caseload in an approved practice setting. The student begins Level II fieldwork after all academic coursework has been successfully completed. Enroll Info: Ther Sci 648, 649 cons inst
Requisites: None
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: No
Last Taught: Fall 2018

OCC THER 664 — LEVEL II FIELDWORK B
6 credits.
The second of two twelve-week, full-time supervised experiences of applied occupational therapy practice. Student conducts evaluations and provides treatment under supervision for an assigned caseload in an approved practice setting. The student begins Level II fieldwork after all academic coursework has been successfully completed. Enroll Info: Ther Sci 640, 641 cons inst
Requisites: None
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: No
Last Taught: Fall 2018

OCC THER 671 — SCIENTIFIC INQUIRY IN OCCUPATIONAL THERAPY I: EVIDENCE-BASED PRACTICE
2 credits.
Addresses the role of evidence in supporting occupational therapy practice. Covers the concepts, methods, and strategies related to evidence-based practice. The goal is to encourage the development of critical reading and writing skills. Enroll Info: None
Requisites: None
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: No
Last Taught: Fall 2018

OCC THER 672 — SCIENTIFIC INQUIRY IN OCCUPATIONAL THERAPY II: RESEARCH DESIGN AND METHODS
2 credits.
Supports the generation and use of evidence in occupational therapy practice. The course provides an overview of research design with particular relevance to understanding human occupation and the practice of occupational therapy. Enroll Info: None
Requisites: None
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: No
Last Taught: Spring 2019

OCC THER 673 — SCIENTIFIC INQUIRY IN OT III: DATA COLLECTION AND ANALYSIS
3 credits.
Supports the development of a research proposal and the skills needed to implement a research project. Through a series of lectures, discussions, and lab activities students are guided through the development of a research proposal and analysis of data. Enroll Info: None
Requisites: None
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: No
Last Taught: Fall 2018

OCC THER 674 — SCIENTIFIC INQUIRY IN OT IV: SCIENTIFIC WRITING FOR PUBLICATION
2 credits.
Students complete a research project proposed in the previous course. Emphasis is on interpretation and dissemination of findings and contributing to the evidence for practice via development of a final paper and a poster presentation. Enroll Info: None
Requisites: None
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: No
Last Taught: Spring 2019

OCC THER 811 — APPLIED LEADERSHIP AND MANAGEMENT IN OT
3 credits.
Overview of the historical, theoretical and current practices of leadership, management and advocacy in health care, education and social service settings. Course will include a reflective analysis of the student's own leadership and management style. Students will apply key principles of effective networking, collaboration and interdisciplinary practice to further develop their own leadership competencies. Enroll Info: None
Requisites: Graduate/professional standing
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: No
Last Taught: Fall 2018
OCC THER 812 — CURRENT TRENDS SHAPING OCCUPATIONAL THERAPY PRACTICE
3 credits.

Occupational therapy’s role in the history and continuing evolution of health care, education, and social welfare. Discussion of the theoretical, evidence, and policy trends influencing occupational therapy practice across settings. The course will emphasize development of leadership skills for shaping, advocating and guiding occupational therapy through a continually evolving practice landscape. Enroll Info: None
Requisites: Graduate/professional standing
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: No
Last Taught: Spring 2019

OCC THER 813 — ADVANCED PRACTICE IN INTERPROFESSIONAL CONTEXTS
3 credits.

Differentiate and define the role of occupational therapy, other professions, and the client in inter-professional practice (IP). Describe models of IP collaborative practice, evaluate evidence supporting effective IP interventions, generate and implement strategies for an IP team to improve quality of services. Enroll Info: None
Requisites: Graduate/professional standing
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: No
Last Taught: Summer 2018

OCC THER 814 — COMMUNICATING OT TO INTERPROFESSIONAL AUDIENCES
3 credits.

Leaders frequently must communicate their ideas and knowledge to a variety of audiences in a compelling manner. Learn the necessary skills for effectively designing and implementing professional presentations in a variety of interprofessional contexts including educational settings, professional conferences, practice workshops, and scholarly contributions. The key principles for building effective presentations, whether oral, written, or interactive, will be presented. Includes the review and critique of communication from various media presented by occupational therapy leaders as well as peers enrolled in the program. Apply the principles learned to a specific project for presentation to an interprofessional audience. Enroll Info: None
Requisites: Graduate/professional standing
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: No

OCC THER 865 — ASSISTIVE TECHNOLOGY IN PRACTICE
1 credit.

Examines the use of assistive technologies in practice including principles of assessment and design, a survey of devices and their appropriate application, common problems or barriers to effective use, and policy and funding issues. Enroll Info: None
Requisites: Graduate/professional standing
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: No

OCC THER 871 — APPLICATION OF OCCUPATIONAL THERAPY EVIDENCE IN THE PRACTICE ENVIRONMENT
2 credits.

Multiple sources of evidence in the professional literature will be examined and applied to a specific intervention or topic that is relevant to students’ professional development goals and/or capstone project. Appropriate methodologies, analytic tools and procedural reasoning will be leveraged in support of recommendations regarding the application of the intervention or approach in the practice environment. Enroll Info: None
Requisites: Graduate/professional standing
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: No
Last Taught: Fall 2018

OCC THER 872 — USING INFORMATION TO OPTIMIZE PRACTICE
3 credits.

An introduction to application of informatics in practice including appropriate design, data management procedures and statistical analysis tools. Students will pursue a practice-relevant question which can be answered using available data. Enroll Info: None
Requisites: Graduate/professional standing
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: No
Last Taught: Spring 2019

OCC THER 873 — ADVANCED OUTCOME MEASUREMENT IN OCCUPATIONAL THERAPY
3 credits.

Occupational therapy practice and research rely on outcome measures to document efficacy and effectiveness of programs and interventions. Explore quality assurance in OT service delivery (including consumer satisfaction) and objective and subjective functional and occupational performance measures of OT interventions. Includes review of principles of measurement (reliability, validity and clinical utility). Examines general themes and trends in healthcare outcomes measurement and research as well as issues germane to specific areas of OT practice. New measurement “toolboxes” such as the NIH Toolbox developed to standardize assessment and outcome measurement and the Rehab Measures Database will be explored to identify state of the art measurement tools and techniques. Strategies and skills for assessing the psychometric properties and clinical utility of a variety of outcomes measures will be learned. Enroll Info: None
Requisites: Graduate/professional standing
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: No
OCC THER 881 — DOCTOR OF OCCUPATIONAL THERAPY: CAPSTONE PROJECT I
1 credit.
Repeatable graduate course designed to facilitate the development and initial implementation of the OTD Capstone Project. Enroll Info: None
Requisites: Graduate/professional standing
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: Yes, for 4 number of completions
Last Taught: Spring 2019

OCC THER 890 — INTER-PROFESSIONAL DEVELOPMENT FOR LEADERSHIP
1-3 credits.
Course content designed specific to student’s curriculum plan to enhance knowledge of occupational therapy in global arenas, across service delivery systems and in inter-professional contexts. Enroll Info: None
Requisites: Graduate/professional standing
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: Yes, for 3 number of completions
Last Taught: Spring 2019
