ELECTRICAL ENGINEERING, DOCTORAL MINOR

ADMISSIONS

ADMISSIONS

All Graduate School students must utilize the Graduate Student Portal (https://my.grad.wisc.edu/) in MyUW to add, change, or discontinue any doctoral minor they intend to pursue. To apply to this minor, log in to MyUW, click on Graduate Student Portal, and then click on Add/Change Programs. If you intend to declare a minor in Electrical Engineering, select the information for this doctoral minor. Note that this is a declaration and acceptance does not mean you have earned this minor until you have completed all of the requirements.

REQUIREMENTS

REQUIREMENTS

Students earn a doctoral minor in Electrical Engineering by meeting the following requirements:

- Complete nine credits of Electrical and Computer Engineering (E C E (http://guide.wisc.edu/courses/e_c_e/)) courses numbered 400 or above.
  - Three credits must be numbered 700 or above.
- Up to one course cross-listed with the student's major program may be counted toward the minor, provided such a course is taught by Electrical and Computer Engineering faculty.
- Courses used for the minor cannot be used to satisfy the student's major requirements.
- Earn a B or better in all courses
- Plan of study approved by the Electrical and Computer Engineering department.

No examinations are required other than those given in the courses.
