The doctoral minor in Library and Information Studies is a flexible and interdisciplinary program functioning under the University of Wisconsin–Madison Graduate School’s Option A rules (https://grad.wisc.edu/acadpolicy/?policy=minors). Students will need to fill out a Ph.D. minor form available from the iSchool main office. As part of this, they will need to identify, and obtain the signature of, a minor advisor from the iSchool faculty who will serve to assist with course selection and other issues. To begin the process of enrolling in the Library and Information Studies Option A minor, please contact an iSchool faculty member via email. Only Option A minors are given preferred enrollment status. Students may select courses from both the master’s and Ph.D. level from within iSchool for their doctoral minor.
