**FUNDING**

Through the generosity of Paul J. Collins, the Mead Witter School of Music is the recipient of a substantial fellowship fund which, in combination with the Graduate School and University Foundation, allows the school to offer multiple-year funding to the highest quality graduate students in performance. The Collins fellowships, along with The Lorna Wendt and Anonymous Fund Fellowships for Choral and Voice students are offered as Wisconsin Distinguished Fellowships and provide full tuition and fees, a generous stipend, additional funds, and comprehensive health care. Nomination by a performance faculty member—usually following an on-site audition—is required for consideration.

The Mead Witter School of Music also offers teaching and project assistantships in music history, music theory, piano, conducting, voice, and other performance areas. These positions offer tuition remission plus a salary and health care benefits. In addition, the Mead Witter School of Music selects qualified applicants for the Chancellor’s Fellowship, University Fellowship, and Advanced Opportunity Fellowship. The UW–Madison Office of Student Financial Services assists students in obtaining general grants and loans. All Mead Witter School of Music students who receive funding are required to enroll full-time with 8–12 graduate credits.

OVERALL GRADUATE GPA REQUIREMENT
Students must maintain a cumulative grade point average (GPA) of 3.25

OTHER GRADE REQUIREMENTS
Students must earn a B or above in all coursework.

PROBATION POLICY
M.M. students who fail to make satisfactory progress in any of the four following areas: grades, course load, time constraints, or exams, will be notified in writing by the DGS. At the end of the second semester of failing to make satisfactory progress the student is placed on probation effective the next semester. This action suspends financial aid (but does not affect loans or work-study). See details in the Satisfactory Progress for Master’s Students (http://uwsom.wpengine.com/wp-content/uploads/2014/05/MastersSatisfactoryProgress.pdf).

ADVISOR / COMMITTEE
M.M. students have two advisors and two committees. One advisor is the DGS the other is their performance instructor or major professor. The two committees are:
1. recital committee
2. exam committee.

ASSESSMENTS AND EXAMINATIONS
All M.M. programs (except M.M. in music education, M.M. in string development, and M.M. in composition) have a 4-credit recital requirement. M.M. students in composition turn in a thesis/project (composition). M.M. students in string development turn in a final project. All M.M. programs require a comprehensive exam during the final semester.

TIME CONSTRAINTS
The following time limits apply to the master’s degrees in the School of Music. Exceptions to the following can be made only upon recommendation of the graduate committee and approval of the DGS (director of graduate studies):
1. All M.M. and M.A. students with university funding (TA, PA, fellowship, etc.) must complete all requirements for the master’s degree within four semesters (not counting summer sessions or M.A. thesis credits), or six semesters if the funding appointment is more than 33.33%.
2. Part-time and unfunded M.M. and M.A. students who have not completed the degree in seven years should submit a letter of intent and statement of progress to the DGS (director of graduate studies). The letter should include a statement of intent to complete the degree, factors that have impeded progress, what work they need to complete to finish the degree, as well as how and when they intend to complete the degree.

LANGUAGE REQUIREMENTS
M.M. voice track and M.M. opera track students must complete the equivalent of, or demonstrate proficiency equivalent to, one college-level year each of French, Italian, and German language study.

M.M. (all other tracks): no language requirements.

ADMISSIONS
Minimum admission requirements of the Graduate School apply to all applicants for graduate study in music. The Mead Witter School of Music has additional requirements. Applicants should have a bachelor’s degree in music or equivalent foundational course work as required by each area of study. An undergraduate GPA of 3.0 (on a 4.0 scale, calculated on the last 60 credit hours) is necessary for full admission. M.M. applicants in music education should have an undergraduate degree in music education and at least two years of music teaching experience—interested students are encouraged to contact the music education faculty prior to application. M.A. applicants are required to submit Graduate Record Exam (GRE) scores and samples of research and writing. Both the M.A. and the M.M. programs involve substantial academic work and require excellent reading, writing, and speaking skills.
Therefore, all international students are required to submit a TOEFL score. See the Mead Witter School of Music graduate admissions website (http://www.music.wisc.edu/admissions/graduate) for information on minimum score requirements. The Mead Witter School of Music does not waive the TOEFL score requirement for students who have completed a degree at an American university. Typically, performance applicants are required to audition in person. For details on specific audition requirements and additional application materials, visit the School of Music graduate admissions website (http://www.music.wisc.edu/admissions/graduate).
