

# ART HISTORY, CERTIFICATE

## ADVISING AND CAREERS

Advising questions may be directed to the undergraduate advisor, Teddy Kaul (ejkaul@wisc.edu), or the director of undergraduate studies in the department.

Each fall, the department hosts an Art History Majors and Career Fair for majors and certificate students as well as anyone interested in the field. We discuss course opportunities and internships on campus and in the community. We also invite alumni to speak about their career paths. Our director of undergraduate studies also hosts a workshop on "How to Apply to Graduate School" each fall. We also work with SuccessWorks (<https://careers.ls.wisc.edu/>) to organize events for our students.

## L&S CAREER RESOURCES

Every L&S major opens a world of possibilities. SuccessWorks (<https://successworks.wisc.edu/>) at the College of Letters & Science helps students turn the academic skills learned in their major, certificates, and other coursework into fulfilling lives after graduation, whether that means jobs, public service, graduate school or other career pursuits.

In addition to providing basic support like resume reviews and interview practice, SuccessWorks offers ways to explore interests and build career skills from their very first semester/term at UW all the way through graduation and beyond.

Students can explore careers in one-on-one advising, try out different career paths, complete internships, prepare for the job search and/or graduate school applications, and connect with supportive alumni and even employers in the fields that inspire them.
