JEWISH STUDIES, B.A.

LEARNING OUTCOMES

- 1. Proficiency in reading, writing, understanding, and conversing in Hebrew or another approved Jewish language, attained through four semesters of study
- 2. Ability to read Jewish texts closely and to write original, coherent, and compelling arguments that push beyond summary to analysis
- 3. Knowledge of Jewish civilization, culture, and society in both the past and the present
- 4. Development, pursuit, and presentation of original research in Jewish studies culminating in a substantive academic paper that utilizes and cites appropriate sources
- Appreciation for diverse worldviews and value systems, including an understanding of interactions between Jews and non-Jews within the context of minority-majority relationships in Wisconsin, in the United States, and across the globe
