

JEWISH STUDIES, B.S.

LEARNING OUTCOMES

1. Proficiency in reading, writing, understanding, and conversing in Hebrew or another approved Jewish language, attained through four semesters of study
2. Ability to read Jewish texts closely and to write original, coherent, and compelling arguments that push beyond summary to analysis
3. Knowledge of Jewish civilization, culture, and society in both the past and the present
4. Development, pursuit, and presentation of original research in Jewish studies culminating in a substantive academic paper that utilizes and cites appropriate sources
5. Appreciation for diverse worldviews and value systems, including an understanding of interactions between Jews and non-Jews within the context of minority-majority relationships in Wisconsin, in the United States, and across the globe
