MUSIC: PERFORMANCE, B.M.

Majors in this program have a primary interest in professional concertizing, studio teaching (private or in a college or university), or commercial music performance. Some students envision this program as preparing them for other professional goals, such as church music, conducting, graduate study in music, or a facet of the music business. The faculty has designed the curricula to include a large complement of liberal studies (40 credits) along with the course work in music (90 credits). These 40 L&S credits must include satisfaction of all university General Education Requirements including Communication Parts A and B, Quantitative Reasoning Parts A and B, Natural Science, Social Science, and Ethnic Studies.

The music degree programs are demanding and require care in taking courses in the proper sequence. Graduation could be delayed if a course is not taken in the appropriate semester. Students are strongly encouraged to see the music advisor each semester. Some general guidelines are:

- Enroll in organizations (Band, Orchestra, Choir, or accompanying) each semester, depending on the primary performance area.
- Enroll for performance study in the major instrument or voice each semester, planning a recital in the senior year.
- Enroll in secondary piano study the first year to begin working toward the specific requirement of the degree.
- Enroll in theory and music history courses according to the following schedule:

- Enroll in 5-6 credits of courses outside music in Letters & Science.

All music majors are accepted for performance study (private lessons) at the 200 level on the major instrument. Students take a performance jury during the second or third year before progressing to advanced-level (400) study. Specific programs may dictate the exact distribution of course work and course sequences. If all department GPA requirements have been met and if the faculty have approved the student’s request for a B.M.: Performance major, students may formally declare the music major after completing the 200-level music theory and history courses and after passing to 400-level study in the major instrument.

**HOW TO GET IN**

**ADMISSIONS PROCEDURES**

To become a candidate for a School of Music degree a student must be accepted by the UW–Madison Office of Admissions and Recruitment and by the School of Music Undergraduate Admissions Office, 3561H Mosse Humanities. These are the specific steps for applying to the UW–Madison School of Music:

- Review the information available on the School of Music website (http://www.music.wisc.edu). Any questions may be directed to the School of Music Undergraduate Admissions Office.
- **Request an audition date** by submitting a completed School of Music application.
- Students who expect to need financial assistance should consult the Office of Student Financial Aid (http://www.finaid.wisc.edu).
- Prepare the appropriate repertoire and materials for the audition.
- Request that official transcripts be sent to the School of Music Undergraduate Admissions Office from all high schools and colleges attended. Request written recommendations from two people who can attest to the applicant's musical background and ability.
- Come to the campus for an audition, which includes a ten- to twenty-minute performance audition, music theory and piano placement examinations, and an introduction to School of Music faculty, students, and facilities.

**TRANSFER STUDENTS**

Students who have earned more than 24 course credits at another college or university follow the same application and audition procedures described above. Upon acceptance by UW–Madison and the School of Music, credits for music courses taken at another institution are interpreted by the UW–Madison Office of Admissions and Recruitment simply as elective music credits. These course credits, as they appear on the transcript(s), will be reviewed during a conference with the advisor upon enrolling at UW–Madison. Transfer credit for music courses will be reviewed only after all placement and proficiency examinations in theory...
and piano have been taken at UW–Madison and syllabi for academic music courses have been submitted.

**REENTERING THE SCHOOL OF MUSIC**

Students who were previously enrolled in the School of Music and UW–Madison who desire to reenter to seek an undergraduate degree should apply for reentry to both the UW–Madison Office of Admissions and Recruitment and the School of Music Undergraduate Admissions Office (http://www.music.wisc.edu). An audition will be required in most cases.

**INTERNATIONAL STUDENTS**

Students from other countries who seek admission to the university and the School of Music should contact International Student Services in addition to the UW–Madison Office of Admissions and Recruitment and the School of Music Undergraduate Admissions Office.

**TO DECLARE MAJOR**

All B.M.–Performance students who have formally declared the major are assigned a classification of MUS in the College of Letters & Science. Before qualifying to declare the music major, each student is required to attain the following minimum grade point averages:

- 2.5 in music theory and history courses:

</tr>
</tbody>
</table>

- 3.0 in all music courses
- 2.75 cumulative (all courses)

**SPECIAL STUDENTS**

Persons who are interested in courses offered by the School of Music but who are not working toward a UW–Madison degree should contact the Division of Continuing Studies, 21 North Park Street, Madison, WI 53715; 608-263-6960. Enrollment is limited in music courses, and priority is given to UW–Madison undergraduate degree candidates.

HONORS IN THE MAJOR

The School of Music is reviewing its requirements for Honors in the Major. Current music majors may contact the undergraduate advisor for more information.

To earn Honors in any music major, students must satisfy the requirements below as well as all other requirements for their music degree and major:

- 6 credits of MUSIC 681 Senior Honors Thesis—MUSIC 682 Senior Honors Thesis
- 12 credits of honors coursework in music: 6 of the 12 credits must be at the 300 level or higher and only 6 credits can be taken in any one of the three music areas of theory, history, and performance.

To participate in the Honors in the Major program, students must:

- Notify the School of Music undergraduate advisor of their intention to become a candidate for Honors in the Major. This will usually occur in the sophomore year.
- Present a minimum cumulative GPA of 3.300 in all courses taken at UW–Madison and maintain this average throughout the degree.
- Present a minimum 3.500 GPA in all music coursework and maintain a minimum 3.500 GPA in all music honors coursework.
- Engage a faculty member who will collaborate in planning the 12 credits of honors curriculum coursework; submit this plan to the undergraduate advisor. The course plan may change as students progress through their work.
- Prior to beginning work on the MUSIC 681—MUSIC 682 Senior Honors Thesis sequence, confirm a faculty advisor for this sequence (who may be the same person as for the 12 credits above) and submit a prospectus outlining in detail the planned work including (a) the topic, (b) plans for research, and (c) a clear substantive written component, although it may also include oral and/or performance components. The faculty advisor must sign the prospectus indicating approval.

UNIVERSITY DEGREE REQUIREMENTS

Requirements Detail

To receive a bachelor’s degree from UW–Madison, students must earn a minimum of 120 degree credits. The requirements for some programs may exceed 120 degree credits. Students should consult with their college or department advisor for information on specific credit requirements.
Degree candidates are required to earn a minimum of 30 credits in residence at UW–Madison. "In residence" means on the UW–Madison campus with an undergraduate degree classification. "In residence" credit also includes UW–Madison courses offered in distance or online formats and credits earned in UW–Madison Study Abroad/Study Away programs.

Undergraduate students must maintain the minimum grade point average specified by the school, college, or academic program to remain in good academic standing. Students whose academic performance drops below these minimum thresholds will be placed on academic probation.

1. Develop advanced levels of proficiency in solo, chamber and ensemble performance sufficient to enter music professions or graduate programs.
2. Understand, synthesize and apply foundational concepts of musical study in theory, history and pedagogy.
3. Demonstrate the ability to learn independently and to integrate knowledge across domains of research and applied studies.
4. Communicate verbally, in writing and through public performance, musical ideas and concepts.
5. Demonstrate ability to work collaboratively and professionally in multiple settings.
