INTL BUS 766 — GLOBAL BUSINESS MANAGEMENT
2 credits.

Focuses on the acquisition of knowledge and the development of skills over a broad range of issues related to global management. The overall goal is to improve global competence by discussing: why organizations “go global,” global business venture options; the impact of foreign business activities on host countries; how to conduct a “CAGE” analysis; how to identify and mitigate global risks; issues related to CSR and corruption for foreign business activity; the role of labor codes; ways to manage a global workforce; the role of “global cadres;” and the roles and management of expatriates. Country/region knowledge explored will encompass Asia, Africa, South America, and Europe. Enroll Info: None

Requisites: Declared in Business: General Management, MBA
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: No
Last Taught: Spring 2022

INTL BUS 767 — GLOBAL LEARNING EXPERIENCE
2 credits.

Visit host countries to improve global competence by discussing and experiencing key issues for US organizations doing business in the host countries. A key component will be the integration, in a global context, of the knowledge and skills from the MBA coursework in marketing, finance, international business, operations, economics, accounting, strategy, and leadership. The techniques learned and practiced can be used in the future to competently research and understand global business issues for any part of the world. Enroll Info: None

Requisites: Declared in Business: General Management, MBA
Course Designation: Grad 50% - Counts toward 50% graduate coursework requirement
Repeatable for Credit: No
