This is a named option in the Business: Accounting M.Acc. (http://guide.wisc.edu/graduate/accounting-information-systems/business-accounting-macc/)

The M.Acc. in Business: Accounting degree has an available named option in Tax, which is designed for students preparing for a career in tax. This option focuses on deep knowledge in a variety of tax topics, providing the qualifications for a career in the tax discipline in public accounting or industry. Students will also benefit from taking a minimum of two additional advanced accounting electives outside of the tax curriculum.

The tax-focused curriculum in this named option covers topics such as corporate taxation, research and administrative issues in taxation, partnership taxation and international taxation.
