DAIRY SCIENCE, DOCTORAL MINOR

ADMISSIONS

1. Doctoral students who wish to pursue an Option A external minor in Dairy Science should consult the graduate coordinator or chair of the Graduate Committee.

2. A Dairy Science faculty member with primary Animal and Dairy Sciences departmental appointment should be assigned as the minor program advisor. See #4.

3. A Minor program of study should be developed with and approved by the minor program advisor and the student’s major professor, early in the student’s graduate work. The proposed program must be submitted and approved upon or before, the completion of 6 credits. See Doctoral Minor Program of Study Form.

4. When courses are complete, the Minor Program of Study form for the doctoral minor should be signed by the graduate student’s advisor and the chair of the Graduate Committee. The form should be submitted to the graduate coordinator at the time of the student’s preliminary exam. The graduate coordinator will send notification to the Graduate School of completion of the doctoral minor.
