PROFESSIONAL DEVELOPMENT

PROFESSIONAL DEVELOPMENT

GRADUATE SCHOOL RESOURCES

Take advantage of the Graduate School's professional development resources (https://grad.wisc.edu/pd/) to build skills, thrive academically, and launch your career.

PROGRAM RESOURCES

Throughout the academic year, professional development trainings, workshops, and graduate student-organized activities take place. The Director of Graduate Studies is eager to hear from students about what interests they have for such events.

GRADUATE SCHOOL OFFICE OF PROFESSIONAL DEVELOPMENT

The Graduate School Office of Professional Development (OPD) coordinates, develops, and promotes learning opportunities to foster the academic, professional, and life skills of graduate students and postdoctoral researchers and scholars.

Professional development topics include Individual Development Plans (https://grad.wisc.edu/pd/idp/), communication, mentoring, grant writing, dissertation writing, career exploration, job search strategies, and more. OPD collaborates with the Writing Center, Libraries, DoIT Software Training for Students, Delta, career centers, and others to provide a wealth of resources and events tailored to the needs of UW–Madison graduate students.

The office developed and maintains DiscoverPD (https://my.grad.wisc.edu/DiscoverPD/), an innovative tool for UW–Madison graduate students to advance their academic and professional goals. DiscoverPD introduces nine areas (or "facets") of professional development, includes a self-assessment, and provides a customized report of areas of strength and weakness. The report comes with recommendations to help graduate students strengthen their ability within each area.

More information on campus resources for student professional development is available at Graduate Student Professional Development (http://grad.wisc.edu/pd/). Students may keep up-to-date by reading GradConnections (https://grad.wisc.edu/new-students/), the weekly newsletter for graduate students, and bookmarking the Events Calendar (https://grad.wisc.edu/events/) to keep tabs on upcoming workshops of interest.
