Other Test(s) (e.g., GMAT, MCAT)	n/a
Letters of Recommendation Required	3

To enter as a graduate student, an applicant must have undergraduate preparation that includes at least three years of college physics and mathematics through differential equations. Applicants are judged on the basis of previous academic record, letters of recommendation, personal statement, and research experience. Admission is competitive and is for the fall only.

Applicants for admission must submit the following via the Graduate School online application:

- Unofficial transcripts of all undergraduate work
- Statement on reasons for graduate study in astronomy
- Three letters of recommendation from people well acquainted with past academic work
- International students must prove English proficiency. Refer to the Graduate School Requirements (<https://grad.wisc.edu/apply/requirements/>) page for more information.

Financial support is provided through university fellowships (incoming graduate students only) or department assistantships. To compete for fellowships awarded by the university, applicants must submit all application materials via the online Graduate School Application by the fall application deadline.
