GRADUATE SCHOOL RESOURCES

The Bursar's Office provides information about tuition and fees (https://bursar.wisc.edu/tuition-and-fees/) associated with being a graduate student. Resources to help you afford graduate study might include assistantships, fellowships, traineeships, and financial aid. Further funding information (https://grad.wisc.edu/funding/) is available from the Graduate School. Be sure to check with your program for individual policies and restrictions related to funding.

PROGRAM RESOURCES

Financial assistance is available to qualified students. The typical sources of funding are research and teaching assistantships. All applicants are considered for any available assistantships. Financial aid is handled separately from admission in the department. Students generally hear about their admission status well before any decision about financial aid is made.

Prospective students should see the ATM OCN website (https://www.aos.wisc.edu/academics/graduate/stipends-fees/) for additional funding information.
