Mode of Instruction Definitions

Accelerated: Accelerated programs are offered at a fast pace that condenses the time to completion. Students typically take enough credits aimed at completing the program in a year or two.

Evening/Weekend: Courses meet on the UW–Madison campus only in evenings and/or on weekends to accommodate typical business schedules. Students have the advantages of face-to-face courses with the flexibility to keep work and other life commitments.

Face-to-Face: Courses typically meet during weekdays on the UW-Madison Campus.

Hybrid: These programs combine face-to-face and online learning formats. Contact the program for more specific information.

Online: These programs are offered 100% online. Some programs may require an on-campus orientation or residency experience, but the courses will be facilitated in an online format.

CURRICULAR REQUIREMENTS

Requirement Detail

Minimum Credit Requirement

- Minimum 30 credits
- Minimum 16 credits

Minimum Graduate Coursework Requirement

- 15 credits must be graduate-level coursework. Refer to the Graduate School: Minimum Graduate Coursework (50%) Requirement policy: https://policy.wisc.edu/library/UW-1244/.

Overall 3.00 GPA required.

Graduate GPA Requirement

- Refer to the Graduate School: Grade Point Average (GPA) Requirement policy: https://policy.wisc.edu/library/UW-1203/.
- A minimum of 9 credits must hold the "Grad 50%" attribute.

Biological Systems Engineering Graduate Instruction and Research Committee approved Science and Engineering Credits

- BSE 990 Research

- BSE 900 Seminar

- BSE 901 Graduate Research Seminar

- Additional BSE Graduate Instruction and Research Committee approved Science and Engineering Credits or BSE 990 to reach 30 credits

Total Credits

- 30

1 BSE 900 is offered in the fall semester only. It is taken during the first fall semester of graduate study. BSE 901 is offered in the spring semester and can be taken each spring. During a student’s last spring semester, they give a presentation in BSE 901 to meet the second seminar credit requirement.

2 “Biological Systems Engineering Graduate Instruction and Research Committee approved Science and Engineering coursework” used to meet this requirement must be letter-graded and numbered 300 and above.

Biological Systems Engineering Graduate Instruction and Research Committee Approved Science and Engineering Credits

All courses for the "Biological Systems Engineering Graduate Instruction and Research Committee approved Science and Engineering Credits" requirement should be selected in consultation with your advisor to create a cohesive program of study.

- These courses must be numbered 300 and above and letter graded A-F.

Other Grade Requirements

- Students must maintain a minimum overall B average (3.0 GPA) during their graduate studies. Seminars, research, or other special problems credits may not be used to offset BC or C grades. No grade below a C will be accepted for fulfilling course work requirements for the degree.

Assessments and Examinations

- All students must complete a graduation checklist and be certified by the Biological Systems Engineering Graduate Instruction and Research Committee before taking their final oral examination.

Language Requirements

- n/a

Assessments and Examinations

- Students must complete a graduation checklist and be certified by the Biological Systems Engineering Graduate Instruction and Research Committee before taking their final oral examination.
• If a course is offered for credit/no-credit only, prior approval from an advisor may be given for a student to complete no more than 1 credit for credit/no-credit.
• BSE 900, BSE 901, BSE 990, and BSE 999 credits may not be used to meet this requirement.

Research Credits
BSE 999 credits are limited to 3 credits. These credits must be separate from the work the student is doing for BSE 990 credit and shall be taken under the direction of an instructor other than the major advisor.

Non-Thesis Pathway
Pathways are internal to the program and represent different curricular paths a student can follow to earn this degree. Pathway names do not appear in the Graduate School admissions application, and they will not appear on the transcript.
