GRADUATE SCHOOL POLICIES
The Graduate School's Academic Policies and Procedures (https://grad.wisc.edu/acadpolicy/) provide essential information regarding general university policies. Program authority to set degree policies beyond the minimum required by the Graduate School lies with the degree program faculty. Policies set by the academic degree program can be found below.

MAJOR-SPECIFIC POLICIES
PRIOR COURSEWORK
Graduate Work from Other Institutions
For well-prepared advanced students, the program may accept prior graduate coursework from other institutions toward the minimum graduate degree credit and minimum graduate coursework (50%) requirement. The minimum graduate residence credit requirement can be satisfied only with courses taken as a graduate student at UW–Madison. Coursework earned ten or more years prior to admission to a doctoral degree is not allowed to satisfy requirements. Up to 6 research credits received for the master's degree may be transferred from another accredited institution. No other research credit may be transferred. Eighteen (18) Master's course credits earned from another institution maybe transferred towards Ph.D. Additional credits need to be approved by the BSE Graduate Instruction and Research committee.

UW–Madison Undergraduate
For well-prepared advanced students, the program may decide to accept up to 7 credits numbered 300 or above completed at UW–Madison toward fulfillment of minimum degree and minor credit requirements. This work would not be allowed to count toward the 50% graduate coursework minimum unless taken at the 700 level or above. Coursework earned ten or more years prior to admission to a doctoral degree is not allowed to satisfy requirements.

UW–Madison University Special
The program may decide to accept up to 15 University Special student credits as fulfillment of the minimum graduate residence, graduate degree, or minor credit requirements on occasion as an exception (on a case-by-case basis). UW–Madison coursework taken as a University Special student would not be allowed to count toward the 50% graduate coursework minimum unless taken at the 700 level or above. Coursework earned ten or more years prior to admission to a doctoral degree is not allowed to satisfy requirements.

PROBATION
The Graduate School regularly reviews the record of any student who earned grades of BC, C, D, F, or Incomplete in a graduate course (300 or above), or grade of U in research credits. This review could result in academic probation with a hold on future enrollment or in being suspended from the Graduate School.

ADVISOR / COMMITTEE
Every graduate student is required to have an advisor. An advisor is a faculty member, or sometimes a committee, from the major department responsible for providing advice regarding graduate studies. An advisor generally serves as the thesis advisor. In many cases, an advisor is assigned to incoming students. Students can be suspended from the Graduate School if they do not have an advisor.

To ensure that students are making satisfactory progress toward a degree, the Graduate School expects them to meet with their advisor on a regular basis.

A committee often accomplishes advising for the students in the early stages of their studies.

CREDITS PER TERM ALLOWED
15 credits

TIME CONSTRAINTS
Doctoral degree students who have been absent for ten or more consecutive years lose all credits that they have earned before their absence. Individual programs may count the coursework students completed prior to their absence for meeting program requirements; that coursework may not count toward Graduate School credit requirements.

A candidate for a doctoral degree who fails to take the final oral examination and deposit the dissertation within five years after passing the preliminary examination may by require to take another preliminary examination and to be admitted to candidacy a second time.

GRIEVANCES AND APPEALS

  discrimination)

College of Agricultural and Life Sciences: Grievance Policy

In the College of Agricultural and Life Sciences (CALS), any student who  
feels unfairly treated by a member of the CALS faculty or staff has the  
right to complain about the treatment and to receive a prompt hearing.  
Some complaints may arise from misunderstandings or communication  
breakdowns and be easily resolved; others may require formal action.  
Complaints may concern any matter of perceived unfairness.

To ensure a prompt and fair hearing of any complaint, and to protect  
the rights of both the person complaining and the person at whom the  
complaint is directed, the following procedures are used in the College of  
Agricultural and Life Sciences. Any student, undergraduate or graduate,  
may use these procedures, except employees whose complaints are  
covered under other campus policies.

1. The student should first talk with the person at whom the complaint  
is directed. Most issues can be settled at this level. Others may be  
resolved by established departmental procedures.

2. If the student is unsatisfied, and the complaint involves any unit  
outside CALS, the student should seek the advice of the dean or  
director of that unit to determine how to proceed.  
   a. If the complaint involves an academic department in CALS the  
      student should proceed in accordance with item 3 below.  
   b. If the grievance involves a unit in CALS that is not an academic  
      department, the student should proceed in accordance with item  
      4 below.

3. The student should contact the department’s grievance advisor  
within 120 calendar days of the alleged unfair treatment. The  
departmental administrator can provide this person’s name. The  
grievance advisor will attempt to resolve the problem informally  
within 10 working days of receiving the complaint, in discussions with  
the student and the person at whom the complaint is directed.  
   a. If informal mediation fails, the student can submit the grievance  
in writing to the grievance advisor within 10 working days of  
the date the student is informed of the failure of the mediation  
attempt by the grievance advisor. The grievance advisor will  
provide a copy to the person at whom the grievance is directed.  
   b. The grievance advisor will refer the complaint to a department  
committee that will obtain a written response from the person at  
whom the complaint is directed, providing a copy to the student.  
    Either party may request a hearing before the committee. The  
grievance advisor will provide both parties a written decision  
within 20 working days from the date of receipt of the written  
complaint.  
   c. If the grievance involves the department chairperson, the  
grievance advisor or a member of the grievance committee, these  
persons may not participate in the review.  
   d. If not satisfied with departmental action, either party has 10  
working days from the date of notification of the departmental  
committee action to file a written appeal to the CALS Equity  
and Diversity Committee. A subcommittee of this committee  
will make a preliminary judgement as to whether the case  
merits further investigation and review. If the subcommittee  
unanimously determines that the case does not merit further  

4. If the alleged unfair treatment occurs in a CALS unit that is not  
an academic department, the student should, within 120 calendar  
days of the alleged incident, take his/her grievance directly to the  
Associate Dean of Academic Affairs. The dean will attempt to resolve  
the problem informally within 10 working days of receiving the  
complaint. If this mediation attempt does not succeed the student  
may file a written complaint with the dean who will refer it to the  
CALS Equity and Diversity Committee. The committee will seek a  
written response from the person at whom the complaint is directed,  
subsequently following other steps delineated in item 3d above.

OTHER

Funding decisions are made by faculty supervisors of the admitted  
students based on the funding availability and project need.
