EXECUTIVE MBA

The Wisconsin Master of Business Administration in Business: Executive (Executive MBA) is a professional degree for the student advancing their business career. Designed for mid- to senior-level working professionals on the path to leadership or the C-suite, it focuses on helping students expand their leadership, strategy, decision-making, and executive communication skills.

This part-time program that allows students to complete an MBA while continuing full-time employment. The accelerated, hybrid program is delivered 50% on-campus, 50% online. Students attend weekly online classes, as well as in-person classes on campus one weekend per month (Saturday and Sunday), and complete the program in just 18 months.

The curriculum reflects the evolving business landscape and equips students to succeed in executive leadership through classes organized into four modules:

• Develop as a Leader: leadership, negotiations, and management
• Run the Business: finance and operations
• Grow the Business: strategy and growth
• Transform the Business: innovation and change

The program includes two in-person residencies, focusing on transformational leadership and executive-level communications, as well as programming designed to enhance team skills and networking opportunities. Students will also dive deep into current business topics like sustainability, ethics, DEI, and technology.

Developing executive presence is a signature element of the program. Students have access to personalized leadership assessments and career visioning and coaching, as well as a variety of career services.
