The Master of Business Administration (MBA) is a professional degree for the student preparing for a career in the business world. The cross-functional/interdisciplinary program exposes the student to each of the functional areas of business combined with a specialization in a specific area of business. Areas of specialization include corporate finance and investment banking, applied security analysis, arts administration, brand and product management, general management, marketing research, operations and technology management, real estate and urban land economics, risk management and insurance, strategic human resource management, and supply chain management.

Founded in 1900, the School of Business established one of the first five business programs in the nation. That entrepreneurial spirit remains strong.

As a student in the School of Business, you will find yourself inspired by peers, staff, alumni, business leaders, and world-renowned faculty who are focused, collaborative, and engaged in every aspect of the student experience. You will join a highly ranked program that equips you to meet both academic and career challenges. Employers value School of Business graduates because of the comprehensive preparation this learning environment provides. Graduates possess highly sought-after general management and specialized expertise in business.

Joining collaborative, inspiring, trustworthy, and progressive School of Business alumni, Business Badgers graduate prepared to lead their general management and specialized expertise in business.

Admissions to the Evening MBA named option have been suspended as of fall 2022. Students currently in this program will be supported and will be able to complete the program; however, no new students will be allowed to enroll. The Executive MBA program is in the process of a redesign and aims to open admissions in fall 2023, for a first cohort of students enrolled fall 2024.

The School of Business offers the Professional MBA (http://guide.wisc.edu/graduate/business-school-wide/business-general-management-mba/business-general-management-professional-mba/) –a part-time program that allows students to complete an MBA while continuing full-time employment. The professional MBA is a flexible, 50% on-campus, 50% online program, which can be completed in two to five years. Classes meet on campus one weekend per month, and virtually throughout the school year. Students earn badges in business areas important to them and gain strategic insights to help them throughout their career.

Students apply to the Master of Business Administration in Business: General Management through one of the named options:

Admissions to the Evening MBA named option have been suspended as of fall 2021. Admissions to the Executive MBA named option have been suspended as of fall 2023. Students currently in these programs will be supported and will be able to complete the program; however, no new students will be allowed to enroll. The School of Business now offers a reimagined part-time MBA offering, the Professional MBA, which pairs online learning with in-person classes one weekend a month. Additional information can be found on the Program Website (https://business.wisc.edu/graduate/mba/professional/).

Resources to help you afford graduate study might include assistantships, fellowships, traineeships, and financial aid. Further funding information (https://grad.wisc.edu/funding/) is available from the Graduate School. Be sure to check with your program for individual policies and restrictions related to funding.

Students in the Evening MBA program should see the Student Affairs program staff to discuss funding options and availability.

Prospective students to the Executive MBA program should see the program website for funding information (https://business.wisc.edu/graduate/mba/executive/tuition/).

Prospective students to the Professional MBA program should see the program website for funding information (https://business.wisc.edu/graduate/mba/professional/tuition/).

PROFESSIONAL DEVELOPMENT
GRADUATE SCHOOL RESOURCES
Take advantage of the Graduate School’s professional development resources ([https://grad.wisc.edu/pd/](https://grad.wisc.edu/pd/)) to build skills, thrive academically, and launch your career.

LEARNING OUTCOMES
1. Strategic problem solving: Demonstrate the ability to diagnose and solve problems by drawing on accumulated knowledge, understanding correlation vs. causation, integrating inductive and deductive reasoning, and being aware of perceptual and conceptual biases.
2. Managing ambiguity: Demonstrate the ability to lead and operate effectively with uncertainty and conflicting directions in an unpredictable situation or environment.
3. Effective communication: Demonstrate skills in presenting ideas and reasoning effectively and persuasively in a business setting, through both written and oral means. Develop skills in sending and receiving information in a logical manner while considering the audience and the nature of the information.
4. Transformational leadership: Demonstrate an understanding of leadership skills that empower, influence, motivate, and stimulate creative problem solutions and innovative ideas.

5. Cultural competence and perspective: Understand the advantages of a diverse and inclusive workforce, and demonstrate the cultural competencies necessary to manage such a workforce. Exhibit openness, awareness, appreciation, and ability to adjust to diversity across cultures and markets; seeking experiences to explore intercultural and socio-cultural systems.
