Financial support for qualified graduate students is available in the form of research assistantships, teaching assistantships, and fellowships.

Additional information on funding and financial resources is available here (https://engineering.wisc.edu/blog/funding-and-financial-information/).

Resources to help you afford graduate study might include assistantships, fellowships, traineeships, and financial aid. Further funding information (https://grad.wisc.edu/funding/) is available from the Graduate School. Be sure to check with your program for individual policies and restrictions related to funding.
