Audiology: Collaborative Program at Stevens Point, Au.D.

This is a named option within the Audiology Au.D. (http://guide.wisc.edu/graduate/communication-sciences-disorders/audiology-aud/#text)

The Au.D. program is a four-year professional doctorate program offered jointly by the UW–Madison Department of Communication Sciences and Disorders and the UW–Stevens Point School of Communication Sciences and Disorders.

The program was designed to train professional audiologists through a firm foundation in science and technology. Clerkships and onsite mentoring assure that students graduate with superior clinical skills.

In this unique program, lecture classes are taught simultaneously at both campuses; videoconferencing allows for interaction with students and faculty at the remote campus. Laboratory experiences are taught separately, using the same curriculum, on each campus. Summer academic course work is entirely online, and clinical experiences take place both on and off campus.

Admissions

Please consult the table below for key information about this degree program’s admissions requirements. The program may have more detailed admissions requirements, which can be found below the table or on the program’s website. Graduate admissions is a two-step process between academic programs and the Graduate School. Applicants must meet the minimum requirements (https://grad.wisc.edu/apply/requirements/) of the Graduate School as well as the program(s).

Once you have researched the graduate program(s) you are interested in, apply online (https://grad.wisc.edu/apply/).

Letter of Recommendation Required

An undergraduate major in communication sciences and disorders is recommended, but not required, for admission to the Au.D. program. If you do not have an undergraduate degree in communication sciences and disorders, you must make up any coursework deficiencies before your graduate study.

Students apply to either the named option (sub-major) in "Audiology: Collaborative Program at Stevens Point (http://guide.wisc.edu/graduate/communication-sciences-disorders/audiology-aud/audiology-collaborative-program-stevens-point-aud/#text)" or "Audiology: Collaborative Program at UW-Madison (http://guide.wisc.edu/graduate/communication-sciences-disorders/audiology-aud/audiology-collaborative-program-uw-madison-aud/)."

Apply Online

Fall Application Deadline: January 15

Notable Advice

• Submit all materials one week prior to deadline. Late and incomplete applications will not be considered.
• File your application early. Do not wait until you can gather all your materials. It is better to file early and send additional items as they become available.
• Track your application status. After submission of your application, you will receive a link to a personal web page where you can track your application status. We update this page as we receive your materials, usually within two weeks of receipt.
• For more information, review the UW–Madison Graduate School Steps to Apply (http://grad.wisc.edu/admissions/process/) and Admissions FAQs (http://grad.wisc.edu/admissions/faq/).

Funding

Graduate School Resources

Resources to help you afford graduate study might include assistantships, fellowships, traineeships, and financial aid. Further funding information (https://grad.wisc.edu/funding/) is available from the Graduate School. Be sure to check with your program for individual policies and restrictions related to funding.

Program Resources

Financial assistance, sometimes available to graduate students in communication sciences and disorders, consists of scholarships, fellowships, traineeships, and project and research assistant positions. Financial assistance is very limited and varies from year to year.

Mode of Instruction Definitions

Accelerated: Accelerated programs are offered at a fast pace that condenses the time to completion. Students are able to complete a program with minimal disruptions to careers and other commitments.

Evening/Weekend: Courses meet on the UW–Madison campus only in evenings and/or on weekends to accommodate typical business schedules. Students have the advantages of face-to-face courses with the flexibility to keep work and other life commitments.

Face-to-Face: Courses typically meet during weekdays on the UW-Madison Campus.

Hybrid: These programs combine face-to-face and online learning formats. Contact the program for more specific information.

Online: These programs are offered 100% online. Some programs may require an on-campus orientation or residency experience, but the courses will be facilitated in an online format.

CURRICULAR REQUIREMENTS

Requirements Detail

Minimum Credit Requirement: 75 credits

Minimum Residence Credit Requirement: 75 credits

Minimum Graduate Coursework Requirement: All (100%) of the minimum number of credits (75) must be taken in graduate-level coursework; courses with the Graduate Level Coursework attribute are identified and searchable in the university's Course Guide.

Overall Graduate GPA Requirement: 3.00 GPA required.

Other Grade Requirements: The Graduate School requires an average grade of B or better in all coursework (300 or above, not including research credits) taken as a graduate student unless conditions for probationary status require higher grades. Grades of Incomplete are considered to be unsatisfactory if they are not removed during the next enrolled semester.

Assessments and Examinations: Consult the program for specific requirements.

Language Requirements: Contact the program for information on any language requirements.

Doctoral Minor / Breadth Requirements: Audiology doctoral students are not required to complete a doctoral minor; they may pursue a minor if they wish.

POLICIES

GRADUATE SCHOOL POLICIES
The Graduate School’s Academic Policies and Procedures (https://grad.wisc.edu/acadpolicy/) provide essential information regarding general university policies. Program authority to set degree policies beyond the minimum required by the Graduate School lies with the degree program faculty. Policies set by the academic degree program can be found below.

NAMED OPTION-SPECIFIC POLICIES

PRIOR COURSEWORK
Graduate Work from Other Institutions
No prior coursework from other institutions is allowed.

UW–Madison Undergraduate
Up to 6 credits from a UW–Madison undergraduate degree are allowed to count toward the degree. If the courses are numbered 500 and above, the credits may be counted toward the overall graduate credit requirement; if the courses are numbered 700 or above, they may count toward both the minimum graduate degree requirements and minimum graduate coursework (50%) requirement.

UW–Madison University Special
No prior coursework from UW–Madison University Special career is allowed.

PROBATION
A student failing to maintain a minimum GPA of 3.0 will be placed on academic probation and will be required to raise his/her GPA to 3.0 or above in the following semester. If the GPA is not raised to 3.0 or above in the following semester, the student will be dismissed from the program. A student receiving a course grade less than “B” shall receive a written warning reminding the student of the “no more than two grades below a “B” rule and shall be placed on academic probation.

Students who are having difficulty with essential abilities and/or meeting competencies in coursework will receive a written improvement plan. An improvement plan specifies the ASHA standards and competencies that the student has not met, as well as a statement explaining what the student must do to meet competency level and a statement explaining what the faculty will do to provide opportunities for improved performance. An improvement plan may require the student to retake an examination or even repeat an entire course if deemed necessary by the academic instructor. If a student has an improvement plan, he/she should communicate regularly with each academic instructor to discuss the plan each semester the plan is in place. The student is responsible for scheduling these communications.

In addition to the department’s probation policy, the Graduate School regularly reviews the record of any student who earned grades of BC, C, D, F, or Incomplete in a graduate course (300 or above), or grade of U in research credits. This review could result in academic probation with a hold on future enrollment or in being suspended from the Graduate School.

ADVISOR / COMMITTEE
When students are admitted to the Au.D. program, they are provided with a course sequence for the entire program. It is strongly recommended that students adhere to this sequence, although modifications to the plan may be made in consultation with the Au.D. program advisor and the director of clinical education. Every graduate student is required to have an advisor. The Au.D. program advisor is the assigned advisor for students in the Au.D. program. Students can be suspended from the Graduate School if they do not have an advisor.

CREDITS PER TERM ALLOWED
14 credits

TIME CONSTRAINTS
Doctoral degree students who have been absent for ten or more consecutive years lose all credits that they have earned before their absence. Individual programs may count the coursework students completed prior to their absence for meeting program requirements; that coursework may not count toward Graduate School credit requirements. Consult the program for additional program-specific time constraints.

GRIEVANCES AND APPEALS
These resources may be helpful in addressing your concerns:

- Bias or Hate Reporting (https://doso.students.wisc.edu/bias-or-hate-reporting/)
- Graduate Assistantship Policies and Procedures (https://hr.wisc.edu/policies/gapp/#grievance-procedure)
- Hostile and Intimidating Behavior Policies and Procedures (https://hr.wisc.edu/hib/)
  - Office of the Provost for Faculty and Staff Affairs (https://facstaffprovost.wisc.edu/)
- Dean of Students Office (https://doso.students.wisc.edu/) (for all students to seek grievance assistance and support)
- Employee Assistance (http://www.eao.wisc.edu/) (for personal counseling and workplace consultation around communication and conflict involving graduate assistants and other employees, post-doctoral students, faculty and staff)
• Employee Disability Resource Office (https://employeedisabilities.wisc.edu/) (for qualified employees or applicants with disabilities to have equal employment opportunities)
• Graduate School (https://grad.wisc.edu/) (for informal advice at any level of review and for official appeals of program/departmental or school/college grievance decisions)
• Office of Compliance (https://compliance.wisc.edu/) (for class harassment and discrimination, including sexual harassment and sexual violence)
• Office of Student Conduct and Community Standards (https://conduct.students.wisc.edu/) (for conflicts involving students)
• Ombuds Office for Faculty and Staff (http://www.ombuds.wisc.edu/) (for employed graduate students and post-docs, as well as faculty and staff)
• Title IX (https://compliance.wisc.edu/titleix/) (for concerns about discrimination)

Students should contact the department chair or program director with questions about grievances. They may also contact the L&S Academic Divisional Associate Deans, the L&S Associate Dean for Teaching and Learning Administration, or the L&S Director of Human Resources.
