AUDIOL G: COLLABORATIVE
PROGRAM AT UW-MADISON,
AU.D.

POLICIES

GRADUATE SCHOOL POLICIES

The Graduate School’s Academic Policies and Procedures (https://
grad.wisc.edu/acadpolicy/) provide essential information regarding
general university policies. Program authority to set degree policies
beyond the minimum required by the Graduate School lies with the
degree program faculty. Policies set by the academic degree program can
be found below.

NAMED OPTION-SPECIFIC POLICIES

PRIOR COURSEWORK

Graduate Work from Other Institutions

No prior coursework from other institutions is allowed.

UW-Madison Undergraduate

With program approval, students may count a sign language course taken
as an undergraduate at UW-Madison toward the prerequisite requirement
for the degree.

UW-Madison University Special

No prior coursework from UW-Madison University Special career is
allowed.

PROBATION

A student failing to maintain a minimum GPA of 3.0 will be placed on
academic probation and will be required to raise his/her GPA to 3.0 or
above in the following semester. If the GPA is not raised to 3.0 or above in
the following semester, the student will be dismissed from the program.
A student receiving a course grade less than “B” shall receive a written
warning reminding the student of the “no more than two grades below a
“B” rule and shall be placed on academic probation.

Students who are having difficulty with essential abilities and/or meeting
competencies in coursework will receive a written improvement plan.
An improvement plan specifies the ASHA standards and competencies
that the student has not met, as well as a statement explaining what
the student must do to meet competency level and a statement
explaining what the faculty will do to provide opportunities for improved
performance. An improvement plan may require the student to retake
an examination or even repeat an entire course if deemed necessary by
the academic instructor. If a student has an improvement plan, he/she
should communicate regularly with each academic instructor to discuss
the plan each semester the plan is in place. The student is responsible for
scheduling these communications.

In addition to the department’s probation policy, the Graduate School
regularly reviews the record of any student who earned grades of BC, C,
D, F, or Incomplete in a graduate course (300 or above), or grade of U in
research credits. This review could result in academic probation with
a hold on future enrollment or in being suspended from the Graduate
School.

ADVISOR / COMMITTEE

When students are admitted to the Au.D. program, they are provided with
a course sequence for the entire program. It is strongly recommended
that students adhere to this sequence, although modifications to the
plan may be made in consultation with the Au.D. program advisor and
the director of clinical education. Every graduate student is required to
have an advisor. The Au.D. program advisor is the assigned advisor for
students in the Au.D. program. Students can be suspended from the
Graduate School if they do not have an advisor.

CREDITS PER TERM ALLOWED

TIME LIMITS

Students should contact the department chair or program director with
questions about grievances. They may also contact the L&S Academic
Divisional Associate Deans, the L&S Associate Dean for Teaching and
Learning Administration, or the L&S Director of Human Resources.
The formal procedure for handling student concerns and grievances requires the student to begin at the source of the problem, and then to work up the administrative structure in a manner appropriate to the nature of the problem. All efforts will be made to achieve a resolution within the program; if this level of resolution is not reached, the complaint will be addressed to the affected department. The preferred channels in order are as follows: (1) the affected faculty member or clinical supervisor, (2) the Program Director on the student’s home campus, who may refer the matter to the full Au.D. Faculty, (3) the Chair of the involved department who may refer it to the appropriate Associate Dean or Dean from the relevant academic year Au.D. Student Handbook campus. Although this route is usual, no policy would prevent any individual student or faculty member from seeking input at higher administrative levels. If the student has a complaint about the program or its accreditation, the student is referred to the following ASHA website for information on how to complain with the Council on Academic Accreditation (CAA): https://caa.asha.org/
