ECONOMICS: GRADUATE FOUNDATIONS, M.S.

This is a named option within the Economics M.S. (http://guide.wisc.edu/graduate/economics/economics-ms/#text) The Economics Master of Science—Graduate Foundations (MS–GF) program offers a terminal graduate degree that prepares students for high-level professional careers in government and industry or further study for the Ph.D. degree. The MS-GF program emphasizes econometric training more than similar programs at other universities. Today’s job market and Ph.D. programs in economics require strong quantitative skills along with a command of microeconomic and macroeconomic theory. Wisconsin’s tradition of supporting economic theory with quantitative methods is well suited to these requirements.

ADMISSIONS

Please consult the table below for key information about this degree program’s admissions requirements. The program may have more detailed admissions requirements, which can be found below the table or on the program’s website.

Graduate admissions is a two-step process between academic programs and the Graduate School. Applicants must meet the minimum requirements (https://grad.wisc.edu/apply/requirements/) of the Graduate School as well as the program(s). Once you have researched the graduate program(s) you are interested in, apply online (https://grad.wisc.edu/apply/+).

Mode of Instruction Definitions

Accelerated: Accelerated programs are offered at a fast pace that condenses the time to completion. Students typically take enough credits aimed at completing the program in a year or two.

Evening/Weekend: Courses meet on the UW–Madison campus only in evenings and/or on weekends to accommodate typical business schedules. Students have the advantages of face-to-face courses with the flexibility to keep work and other life commitments.

Face-to-Face: Courses typically meet during weekdays on the UW–Madison Campus.

Hybrid: These programs combine face-to-face and online learning formats. Contact the program for more specific information.

Online: These programs are offered 100% online. Some programs may require an on-campus orientation or residency experience, but the courses will be facilitated in an online format.
