ECONOMICS, M.S.

There are two M.S. in Economics Named Option degrees. The M.S. Named Option in Graduate Foundations is a terminal master's degree that students apply to directly. See information about the Graduate Foundations program here (http://guide.wisc.edu/graduate/economics/economics-ms/economics-graduate-foundations-ms/#text). The other M.S. Named Option Economics degree is part of the Ph.D. program and does not admit students directly.

ADMISSIONS

Students apply to the Master of Science in Economics through the named option or the Ph.D.:

• The Economics (http://guide.wisc.edu/graduate/economics/economics-ms/economics-economics-ms/) named option is offered for work leading to the Ph.D. Students may not apply directly for the master's, and should instead see the admissions information for the Ph.D (https://guide.wisc.edu/graduate/economics/economics-phd/#admissionsntext).
