ADMISSIONS

Students may not apply directly for the Educational Specialist (EdS) in Wisconsin Idea Executive Educational Leadership Preparation Program degree. It is available to students who entered the PhD in Wisconsin Idea Executive Educational Leadership Preparation Program, but chose not to complete the final requirement of the PhD: a dissertation. As a non-admitting degree, the EdS requires a degree change (from PhD to EdS) in the student's final semester of the program. If you are interested in applying for the PhD program, please see program information here (<https://guide.wisc.edu/graduate/educational-leadership-policy-analysis/wisconsin-idea-executive-educational-leadership-preparation-program-phd/#admissiontext>).
