

EDUCATIONAL PSYCHOLOGY, DOCTORAL MINOR

ADMISSIONS

- Meet with an Educational Psychology faculty member to learn your options and plan a set of courses. Students *must* have an Educational Psychology faculty member serve as their Graduate Minor Advisor. If the minor course work focuses on one of the Department's program areas, the advisor should be selected from among faculty members in that program area.
- Request the Graduate Minor form from the Ed Psych Graduate Student Services Coordinator (edpsych-gss@education.wisc.edu), obtain your minor advisor's signature, and file it with the Graduate Student Services Coordinator. The department will inform you when your graduate minor program has been approved.
- Graduate minor programs should be approved *before* students complete more than 2 courses that they intend to include in the program.
- Need to make an adjustment in your course plan? Contact your minor advisor to discuss any changes. Modify your form to indicate the new plan and send the update to the Ed Psych Graduate Student Services Coordinator (edpsych-gss@education.wisc.edu).
- To obtain minor completion verification, send an email to the Ed Psych Graduate Student Services Coordinator (edpsych-gss@education.wisc.edu) with your prelim warrant and a copy of your transcript showing completion of grad minor courses. With this information, you can obtain the Ed Psych's department chair signature. Once this is completed, your department will obtain other needed signatures and file this form with the Graduate School.
