EDUCATIONAL PSYCHOLOGY, DOCTORAL MINOR

ADMISSIONS

• Meet with an Educational Psychology faculty member to learn your options and plan a set of courses. Students must have an Educational Psychology faculty member serve as their Graduate Minor Advisor. If the minor coursework focuses on one of the Department’s program areas, the advisor should be selected from among faculty members in that program area.
• Request the Graduate Minor form from the Ed Psych Program Manager, obtain your minor advisor’s signature, and file it with the Graduate Student Services Coordinator. The department will inform you when your graduate minor program has been approved.
• Graduate minor programs should be approved before students complete more than 2 courses that they intend to include in the program.
• Need to make an adjustment in your course plan? Contact your minor advisor to discuss any changes. Modify your form to indicate the new plan and send the update to the Ed Psych Program Manager.
• To obtain minor completion verification, send an email to the Ed Psych Program Manager when you start your prelim process. They will work with your minor advisor to obtain the signature needed on your preliminary exam warrant and confirm your minor with the Graduate School.

In addition to the steps outlined above, all Graduate School students must utilize the Graduate Student Portal in MyUW to add, change, or discontinue any doctoral minor. For the final step required to apply to this certificate, log in to MyUW, click on Graduate Student Portal, and then click on Add/Change Programs. Select the information for the doctoral minor for which you are applying.
