GRADUATE SCHOOL POLICIES
The Graduate School’s Academic Policies and Procedures (https://grad.wisc.edu/acadpolicy/) provide essential information regarding general university policies. Program authority to set degree policies beyond the minimum required by the Graduate School lies with the degree program faculty. Policies set by the academic degree program can be found below.

OTHER
Additional Prior Coursework Policies (these policies are in addition to the prior coursework policies listed above):

1. **Graduate Program Credits earned in other UW–Madison Graduate Programs:** With advisor approval: a) Students with an earned UW-Madison Master’s degree may be permitted to use up to 7 credits toward the MS in Design + Innovation program. b) Students without an earned Master’s degree, but who have completed Master’s credits, may be permitted to use up to 12 credits in the MS in Design + Innovation program. c) Students with PhD credits or an earned PhD degree may be permitted to use up to 12 credits in the MS in Design + Innovation program.

2. **Undergraduate credits from other institutions:** Undergraduate credits from other institutions are not permitted to be used in the MS in Design + Innovation program.

3. **MAD-UX Certificate Credits:** With program approval, students are allowed to count up to 9 credits. Courses must be 300 level or above,
earned "B" or better grade, and earned less than 5 years prior to the start of the MS in Design + Innovation program.

Students are strongly discouraged to pursue positions as Project Assistants, Teaching Assistants or Research Assistants during their time in this program, as the rigor and accelerated nature of this program may not accommodate those work time commitments. Students in this program will not receive the tuition remission that is typically part of the compensation package for a graduate assistantship.
