ENGINEERING, MENG

OUR PROGRAMS

We improve the practice of engineering by providing world-class, objective continuing education and credit instruction for technical professionals.

Programs are structured to help you as a working professional continue your educational path without interrupting your career. You will be empowered, engaged, and more passionate about your career after completing a degree program from UW-Madison. You will have the confidence and skills to take your projects or your responsibilities to the next level. UW-Madison’s instructors are leading experts from industry, research, private practice, government, and education.
