

ENGINEERING MECHANICS, M.S.

ADMISSIONS

Students apply to the Master of Science in Engineering Mechanics through one of the named options:

- Research (<https://guide.wisc.edu/graduate/engineering-physics/engineering-mechanics-ms/engineering-mechanics-research-ms/>)
- Aerospace Engineering (<http://guide.wisc.edu/graduate/engineering-physics/engineering-mechanics-ms/engineering-mechanics-aerospace-engineering-ms/>)
- Fundamentals of Applied Mechanics (<https://guide.wisc.edu/graduate/engineering-physics/engineering-mechanics-ms/engineering-mechanics-fundamentals-applied-mechanics-ms/>)
