<sup>1</sup> Interdisciplinary Theatre Studies is made up of a transdisciplinary faculty with tenure homes across the university. When a faculty member in Interdisciplinary Theatre Studies teaches a course relevant to the program, the Director (under advisement of the steering committee) will designate said course as eligible for inclusion in a student's doctoral minor, and advertise the fact to all students in the minor.

#### PRIOR COURSEWORK

Under unusual circumstances, it may be possible for theatre or performance studies courses completed at another institution within the prior five years to satisfy minor requirements. Such transfer credits must

be approved by the Program Director based on the syllabus, transcript, and final paper from the course.
