Resources to help you afford graduate study might include assistantships, fellowships, traineeships, and financial aid. Further funding information is available from the Graduate School. Be sure to check with your program for individual policies and restrictions related to funding.

MA students receive two years of funding through a combination of fellowships, teaching assistantships, and project assistantships. Most ITS students are funded through teaching assistantships in various courses, including ENGL/Theatre 120: Introduction to Theatre and Dramatic Literature. These appointments provide opportunities for students to develop their own teaching styles and skills.
