

ENTOMOLOGY, DOCTORAL MINOR

REQUIREMENTS

Students who elect Entomology as a minor in their training for the doctorate will take at least 9 credits of Entomology courses, including one semester of graduate seminar (ENTOM 901 Seminar in Organismal Entomology or ENTOM 875 Special Topics). The courses will be determined by the student's interest after consultation with the minor professor and the Entomology Academic Affairs Committee.

Please see the Department of Entomology's Handbook and Forms page (<https://entomology.wisc.edu/graduate-study/handbooks-and-forms/>) for additional information.
