A committee often accomplishes advising for the students in the early stages of their studies.

**CREDITS PER TERM ALLOWED**

Students in the MA program are expected to carry 6 credits per semester. They may carry up to 12 although we do not encourage more than 9. Students who would like to carry fewer than 6 credits must apply in writing to the DGS for a waiver of this requirement and are not eligible to work as TAs.

**TIME CONSTRAINTS**

Master’s degree students who have been absent for five or more consecutive years lose all credits that they have earned before their absence. Individual programs may count the coursework students completed prior to their absence for meeting program requirements; that coursework may not count toward Graduate School credit requirements.

**OTHER**

To remain in good standing in the M.A. program, certain deadlines and expectation must be met in a timely fashion.
1. Students are expected to file their advisor form by the first week of classes of their second year of study.

2. Students are required to have a thesis or exam committee arranged by the first week of their fourth semester.

3. Students are required to defend their thesis or complete their exams by the end of their fourth semester; formal requests for an extension of the time for the thesis or exam will be considered, but not guaranteed.

4. Filing the thesis or the written exam: The thesis or the written exam needs to be submitted to the DGS for filing by the designated thesis deposit deadline of the Graduate School.

5. Any incomplete grades must be resolved by the end of the following semester, unless a faculty extension is granted.

6. Students must be in good standing to be eligible for departmental funding.

7. Due Dates (Based on consecutive full time enrollment of all four semesters without summer sessions)

   Formal requests for an extension of the time for the thesis or exam will be considered, but not guaranteed.

Failure to meet any of these requirements may result in a student being asked to leave the program.
