Thus a student's progress is considered unsatisfactory only after a progressing toward their academic goals will hit the benchmarks exactly.

recognizes that individual circumstances vary, and not all students students holding teaching or research appointments. The department

benchmarks constitute a reasonable rate of accomplishment for full-time

The Department of Geography expects graduate students to progress through a sequence of benchmarks within prescribed time periods. These

Students should contact the department chair or program director with questions about grievances. They may also contact the L&S Academic

OTHER

We consider all applicants to the M.S. for multi-year guaranteed funding packages. This funding, however, is not plentiful and it is competitive. Decisions about funding are typically made by late February. Students in the GIS Development and Accelerated/Non-Thesis named options are not permitted to accept graduate assistantships or other appointments that would result in a tuition waiver and cannot enroll in other graduate programs nor take courses outside the prescribed curriculum.
