GERMAN, PH.D.

POLICIES

GRADUATE SCHOOL POLICIES
The Graduate School’s Academic Policies and Procedures (https://grad.wisc.edu/acadpolicy/) provide essential information regarding general university policies. Program authority to set degree policies beyond the minimum required by the Graduate School lies with the degree program faculty. Policies set by the academic degree program can be found below.

MAJOR-SPECIFIC POLICIES

PRIOR COURSEWORK

Graduate Work from Other Institutions
Students are generally not allowed to count graduate coursework from other institutions. Coursework earned ten years or more prior to admission to a doctoral degree is not allowed to satisfy requirements.

UW–Madison Undergraduate
No credits from a UW–Madison undergraduate degree are allowed to count toward the Ph.D. degree.

UW–Madison University Special
With program approval, students are allowed to count no more than 15 credits of coursework numbered 600 or above taken as a UW–Madison University Special student. Coursework earned ten years or more prior to admission to a doctoral degree is not allowed to satisfy requirements.

PROBATION

The Graduate School regularly reviews the record of any student who earned grades of BC, C, D, F, or Incomplete in a graduate course (300 or above), or grade of U in research credits. This review could result in academic probation with a hold on future enrollment or in being suspended from the Graduate School.

1. Good standing (progressing according to standards; any funding guarantee remains in place).
2. Probation (not progressing according to standards but permitted to enroll; loss of funding guarantee; specific plan with dates and deadlines in place in regard to removal of probationary status).
3. Unsatisfactory progress (not progressing according to standards; not permitted to enroll, dismissal, leave of absence or change of advisor or program).

A semester GPA below 3.5 will result in the student being placed on academic probation. If a semester GPA of 3.5 is not attained during the subsequent semester, the student may be dismissed from the program or allowed to continue for 1 additional semester based on advisor appeal to the Graduate School.

ADVISOR / COMMITTEE

Students joining the program with an M.A. degree will either be advised by the department graduate advisor (DGA) and choose their individual advisor before the end of their second semester of coursework in consultation with the DGA, or be assigned an individual advisor when they enter the program. The individual advisor will be the chair of the Ph.D. preliminary examination committee and the dissertation committee.

CREDITS PER TERM ALLOWED
15 credits

TIME CONSTRAINTS

Ph.D. candidates should take the two-hour oral preliminary examination no sooner than upon completion of the second semester of the Ph.D. coursework and may take it no later than three weeks after the beginning of the fifth full-time semester (or its equivalent) after the M.A.

A candidate for a doctoral degree who fails to take the final oral examination and deposit the dissertation within five years after passing the preliminary examination may by require to take another preliminary examination and to be admitted to candidacy a second time.

OTHER

Financial support is competitive. The applications deadline for financial support is January 15. Graduate applicants admitted to the program are eligible for a limited number of comprehensive
multiyear financial guarantees. In addition to university fellowships, the department may award a small number of Distinguished Fellowships, and offers an unusually large and varied number of teaching and project assistantships.
