## POLICIES

### GRADUATE SCHOOL POLICIES

The Graduate School's Academic Policies and Procedures (<https://grad.wisc.edu/acadpolicy/>) provide essential information regarding general university policies. Program authority to set degree policies beyond the minimum required by the Graduate School lies with the degree program faculty. Policies set by the academic degree program can be found below.

### MAJOR-SPECIFIC POLICIES

#### PRIOR COURSEWORK

##### Graduate Credits Earned at Other Institutions

Students are generally not allowed to transfer credits earned at other institutions to fulfill degree requirements. Exceptions are students who are admitted to pursue a PhD degree after completing their MA degree at another institution, and who confirmed their MA degree in the department by passing a qualifying examination. Students may transfer up to 15 credits of MA coursework to satisfy PhD degree requirements. Up to 9 credits of prior graduate coursework may be applied towards the breadth requirement (Option B -- Distributed Minor). Coursework earned ten or more years prior to admission to a doctoral degree is not allowed to satisfy requirements.

##### Undergraduate Credits Earned at Other Institutions or UW-Madison

With program approval, up to 7 credits numbered 700 and above taken in the Slavic department while pursuing a UW-Madison undergraduate degree are allowed to transfer. Undergraduate coursework from other institutions is not allowed. Coursework earned ten or more years prior to admission to a doctoral degree is not allowed to satisfy requirements.

##### Credits Earned as a Professional Student at UW-Madison (Law, Medicine, Pharmacy, and Veterinary careers)

Refer to the Graduate School: Transfer Credits for Prior Coursework (<https://policy.wisc.edu/library/UW-1216/>) policy.

##### Credits Earned as a University Special Student at UW-Madison

With program approval, students are allowed to transfer no more than 9 credits of coursework numbered 300 or above taken as a UW-Madison University Special student. Coursework earned ten or more years prior to admission to a doctoral degree is not allowed to satisfy requirements.

### PROBATION

A semester GPA below 3.25 will result in the student being placed on academic probation. If a semester GPA of 3.25 is not attained during the subsequent semester of full time enrollment the student may be dismissed from the program.

### ADVISOR / COMMITTEE

Prior to being admitted to candidacy, all students meet with graduate advisor once a semester (in November and April) to discuss their progress and to plan their coursework for the subsequent semester.

No later than by the end of their sixth semester students choose their dissertation advisor.

After being admitted to candidacy, all students are required to submit brief written yearly progress reports to their thesis committee by the end of January.

### CREDITS PER TERM ALLOWED

15 credits

### TIME LIMITS

Students must fulfill all coursework requirements and pass oral examination by the end of the seventh semester in the program (fifth semester for students admitted with MA degree).

Refer to the Graduate School: Time Limits (<https://policy.wisc.edu/library/UW-1221/>) policy.
