| MUSIC 412                             | Survey of Music in the Renaissance       | 3       |

The following constraints should be taken into consideration when selecting courses:

- Only courses that carry the "Graduate 50%" attribute may be used to meet program requirements.
- To ensure that students achieve interdisciplinarity in their studies, courses must be selected from at least two different subject listings.
- To ensure breadth of study beyond a student's focused doctoral research, courses must be selected from subject listings offered outside the student's home department or program.
