3. UW-Madison students completing their bachelor’s degree in the Industrial and Systems Engineering department may count up to 6 credits of coursework numbered 300 or above toward the degree with prior program approval. Coursework earned five or more years prior to admission to a master’s degree is not allowed to satisfy requirements.

HOW TO APPLY
1. Fill out an online application (https://grad.wisc.edu/apply/) through the Graduate School website. (https://grad.wisc.edu/admissions/faq/)
2. List three recommenders and their contact information as part of the online application. 3. Submit a Statement of Purpose (https://grad.wisc.edu/prospective/prepare/statement/) with your online application. In this document, applicants should explain why they want to pursue further education in ISyE and discuss which UW faculty members they would be interested in doing research with during their graduate study.
4. TOEFL Exam Information: Ask ETS (https://www.ets.org/) to submit your GRE and/or TOEFL scores to the UW-Madison Graduate School (Institution Number 1846). If you have your scores sent to UW-Madison, they will be available online to all departments to which you have applied. The institution code, therefore, is the only number needed.
