This is a named option within the Master of Science Information (http://guide.wisc.edu/graduate/information/information-ms/).

The master’s degree at the Information School (iSchool) prepares graduates to develop, provide, and assess information and data services that create, collect, organize, store, analyze, find, distribute, and use information and data in a diverse, technological, and global society. The program prepares information professionals to work in three broad, overlapping areas of the information professions.

**User Experience Design:** Graduates obtain employment in user experience design, interaction design, usability testing, systems analysis and project management, IT training, educational technology support, digital asset management and curation, and content management.

**Data Analytics/Management:** Graduates obtain employment specializing in management of data and information in a variety of organizations with expertise in in knowledge management, digital asset management, data and information governance, prospect research, systems analysis, records management and compliance, research data management and project management, and database development and management.

**Human Factors in Cybersecurity:** The Human Factors in Cybersecurity concentration will develop skills in understanding, preventing, and responding to cyber attacks while also providing a strong foundation to understand the role that humans play in cybersecurity and privacy. You will gain expertise in psychology for cybersecurity, cybersecurity usability, data privacy, and cybersecurity for high-risk populations. Additional electives in cyber ethics, and law and governance are available.

Full-time students generally complete the program in three academic semesters with summer work; part-time students complete it in three to four years. Students gain hands-on experience as part of their degree through the school’s required internship. Students may choose internship settings based on their career goals.

### ADMISSIONS

#### ADMISSIONS

Please consult the table below for key information about this degree program’s admissions requirements. The program may have more detailed admissions requirements, which can be found below the table or on the program’s website.

Graduate admissions is a two-step process between academic programs and the Graduate School. Applicants must meet the minimum requirements (https://grad.wisc.edu/apply/requirements/) of the Graduate School as well as the program(s). Once you have researched the graduate program(s) you are interested in, apply online (https://grad.wisc.edu/apply/).

|                     | The MS Information admits students to its master’s programs once a year for a start in the fall semester. Fall admissions deadlines are as follows:  
  • Full consideration deadline for iSchool MS Information scholarships is February 15.  
  • Full consideration deadline for admission is March 1.  
  • Applications submitted after the fall deadline are considered on a space available basis. |

The UW Madison Graduate School requires a bachelor’s degree from a regionally accredited US institution, or a comparable degree from an international institution. A minimum undergraduate grade-point average (GPA) of 3.00 (on a 4.00 scale) in the last 60 earned credit hours is required.

Application evaluation criteria include academic abilities, professional promise, leadership and community engagement. An undergraduate program that includes breadth in liberal arts and sciences is required. Any major is acceptable. Prior work experience related to information and computing professions is useful, but is not required.

### INTERNATIONAL STUDENTS

International degree-seeking applicants must prove English proficient. The Information School follows the Graduate School’s rules regarding English proficiency exams. See the Graduate School website (https://grad.wisc.edu/apply/requirements/) for updated information.

### FUNDING

#### GRADUATE SCHOOL RESOURCES

Resources to help you afford graduate study might include assistantships, fellowships, traineeships, and financial aid. Further funding information (https://grad.wisc.edu/funding/) is available from the Graduate School. Be sure to check with your program for individual policies and restrictions related to funding.
PROGRAM INFORMATION
Students enrolled in this program are not eligible to receive tuition remission from graduate assistantship appointments at this institution.

NAMED OPTION REQUIREMENTS

MODE OF INSTRUCTION

Mode of Instruction Definitions

**Accelerated:** Accelerated programs are offered at a fast pace that condenses the time to completion. Students typically take enough credits aimed at completing the program in a year or two.

**Evening/Weekend:** Courses meet on the UW–Madison campus only in evenings and/or on weekends to accommodate typical business schedules. Students have the advantages of face-to-face courses with the flexibility to keep work and other life commitments.

**Face-to-Face:** Courses typically meet during weekdays on the UW-Madison Campus.

**Hybrid:** These programs combine face-to-face and online learning formats. Contact the program for more specific information.

**Online:** These programs are offered 100% online. Some programs may require an on-campus orientation or residency experience, but the courses will be facilitated in an online format.

Other Grade Requirements
Within the student’s total program, one grade of BC or C is allowable in either a required or elective course if it is balanced by a grade of A or AB earned either prior to or concurrently with the unsatisfactory grade. Students receiving a BC or C move into probationary status. A second grade of BC or C or any grade of D or F will normally result in the student being dropped from the program. In addition, a student’s graduate-program cumulative grade point average must be maintained at 3.00 or above.

Assessments and Examinations
No formal examination is required.

Language
None.

**GRADUATE SCHOOL POLICIES**

The Graduate School’s Academic Policies and Procedures (https://grad.wisc.edu/acadpolicy/) provide essential information regarding general university policies. Program authority to set degree policies beyond the minimum required by the Graduate School lies with the degree program faculty. Policies set by the academic degree program can be found below.

**NAMED OPTION-SPECIFIC POLICIES**

**PRIOR COURSEWORK**

**Graduate Credits Earned at Other Institutions**

The program will not accept credits taken outside of UW-Madison to be used toward the degree.

**Undergraduate Credits Earned at Other Institutions or UW-Madison**

The program will allow up to 3 credits of approved MS Information or Computer Science coursework taken as an undergraduate to transfer toward the degree. The coursework must be from the approved MS curriculum or approved by an Information School advisor.

**Credits Earned as a Professional Student at UW-Madison (Law, Medicine, Pharmacy, and Veterinary careers)**

Refer to the Graduate School: Transfer Credits for Prior Coursework (https://policy.wisc.edu/library/UW-1216/) policy.

**Credits Earned as a University Special Student at UW-Madison**

The program will allow a maximum of 3 L I S (http://guide.wisc.edu/courses/l_i_s/) credits from the approved MS Information course list, to be completed as a non-matriculated University Special student before entry into the program.

**PROBATION**

Registration is not a guarantee of enrollment under conditions of unsatisfactory progress. Students who fall into unsatisfactory progress will have an academic hold placed on their record; they should discuss clearing the hold with their adviser.

1. **Good standing**: progressing according to standards.
2. **Probation**: not progressing according to standards but permitted to enroll; potential loss of scholarships.
3. **Unsatisfactory progress**: not progressing according to standards; not permitted to enroll, dismissal, leave of absence.

A student may be placed on probation or suspended from the Graduate School for low grades or for failing to resolve incompletes in a timely fashion. In special cases the Graduate School permits students who do not meet these minimum standards to continue on probation upon recommendation and support of their advisor.
See iSchool Student Handbook. (https://uwmadison.box.com/s/pkxe9zjzhczq6yu7pkqc3z2pws2lpke/)

ADVISOR / COMMITTEE
All continuing students are required to meet with the staff advisor prior to registering for each semester in order to remove registration holds and ensure timely progress towards degree completion. Students may switch advisors at any time by completing a change of advisor form.

CREDITS PER TERM ALLOWED
15 credits (however, 12 credits are highly encouraged)

TIME LIMITS
The maximum period for completion of the MS (under special circumstances) is seven calendar years. Contact the department for more information.

Refer to the Graduate School: Time Limits (https://policy.wisc.edu/library/UW-1221/) policy.
