GRADUATE SCHOOL POLICIES

The Graduate School's Academic Policies and Procedures (https://grad.wisc.edu/acadpolicy/) provide essential information regarding general university policies. Program authority to set degree policies beyond the minimum required by the Graduate School lies with the degree program faculty. Policies set by the academic degree program can be found below.

NAMED OPTION-SPECIFIC POLICIES

PRIOR COURSEWORK

Graduate Work from Other Institutions

The program will not accept credits taken outside of UW-Madison to be used toward the degree.

UW-Madison Undergraduate

The program will allow up to 3 credits of approved MS Information or computer science coursework taken as an undergraduate to be counted toward the degree. The coursework must be from the approved MS curriculum, or approved by an Information School advisor.

UW-Madison University Special

The program will accept up to 10 credits from the iSchool capstone certificate in Digital User Experience Design (UX) or Analytics for Decision Making Capstone Certificate programs, if those credits were earned within 5 years of admission to the MS degree. All credits must be part of the UX or Analytics certificates.

In cases where students move from a lower cost program to the MS program, students will be required to pay the difference in tuition in order to have the lower cost earned credits count toward the MS degree.

The program will allow a maximum of 3 LIS credits from the approved MS Information course list, to be completed as a non-matriculated special student before entry into the program. Special students entering the MS Information must pay the tuition differential on the 3 credits in order for the course to count toward their MS Information degree requirements.

PROBATION

Registration is not a guarantee of enrollment under conditions of unsatisfactory progress. Students who fall into unsatisfactory progress will have an academic hold placed on their record; they should discuss clearing the hold with their advisor.

1. Good standing: progressing according to standards.
2. Probation: not progressing according to standards but permitted to enroll; potential loss of scholarships.
3. Unsatisfactory progress: not progressing according to standards; not permitted to enroll, dismissal, leave of absence.

A student may be placed on probation or suspended from the Graduate School for low grades or for failing to resolve incompletes in a timely fashion. In special cases the Graduate School permits students who do not meet these minimum standards to continue on probation upon recommendation and support of their advisor. See iSchool Student Handbook. (https://ischool.wisc.edu/current-students/ma-requirements-overview/ma-program-planning-guides/)

ADVISOR / COMMITTEE

All continuing students are required to meet with the staff advisor prior to registering for each semester in order to remove registration holds and ensure timely progress towards degree completion. Students may switch advisors at any time by completing a change of advisor form.

CREDITS PER TERM ALLOWED

15 credits (however, 12 credits are highly encouraged)

TIME LIMITS

The maximum period for completion of the M.S. (under special circumstances) is seven calendar years. Contact the department for more information.

This program follows the Graduate School’s Time Limits policy. (https://policy.wisc.edu/library/UW-1221/)
