INFORMATION: RESEARCH, M.S.

This program does not directly admit students. It is a degree for students admitted into the PhD Information who leave the PhD program without fulfilling all the PhD requirements but who have completed all requirements for the Masters of Science: Research.

ADMISSIONS

This master’s program is offered for work leading to the Ph.D. Students may not apply directly for this named option, and should instead see the admissions information for the Ph.D (https://guide.wisc.edu/graduate/information/information-phd/).

FUNDING

GRADUATE SCHOOL RESOURCES

Resources to help you afford graduate study might include assistantships, fellowships, traineeships, and financial aid. Further funding information (https://grad.wisc.edu/funding/) is available from the Graduate School. Be sure to check with your program for individual policies and restrictions related to funding.

CODES: Overall 3.00 GPA required.

Graduate GPA Requirement

Other Grade Requirements
Within the student’s total program, one grade of BC or C is allowable in either a required or elective course if it is balanced by a grade of A or AB earned either prior to or concurrently with the unsatisfactory grade. Students receiving a BC or C move into probationary status. A second grade of BC or C or any grade of D or F will normally result in the student being dropped from the program. In addition, a student’s graduate-program cumulative grade point average must be maintained at 3.00 or above.

Assessments and Examinations
No formal examination is required.

Language Requirements
None.

Students in the MS Information Research Option must complete any 30 credits from the below list of approved courses.

GRADUATE SCHOOL POLICIES

The Graduate School's Academic Policies and Procedures (https://grad.wisc.edu/acadpolicy/) provide essential information regarding general university policies. Program authority to set degree policies beyond the minimum required by the Graduate School lies with the degree program faculty. Policies set by the academic degree program can be found below.

NAMED OPTION-SPECIFIC POLICIES

PRIOR COURSEWORK

Graduate Work from Other Institutions

The program will not accept credits taken outside of UW-Madison to be used toward the degree.

UW-Madison Undergraduate

The program will allow up to 3 credits of approved MS Information or computer science coursework taken as an undergraduate to be counted toward the degree. The coursework must be from the approved MS curriculum or approved by an Information School advisor.

UW-Madison University Special

With program approval, students are allowed to count no more than 9 credits of coursework numbered 300 or above taken as a UW-Madison University Special student. Coursework earned five or more years prior to admission to a master's degree is not allowed to satisfy requirements.

PROBATION

Registration is not a guarantee of enrollment under conditions of unsatisfactory progress. Students who fall into unsatisfactory progress will have an academic hold placed on their record; they should discuss clearing the hold with their adviser.

1. Good standing: progressing according to standards.
2. Probation: not progressing according to standards but permitted to enroll; potential loss of scholarships.
3. Unsatisfactory progress: not progressing according to standards; not permitted to enroll, dismissal, leave of absence.

A student may be placed on probation or suspended from the Graduate School for low grades or for failing to resolve incompletes in a timely fashion. In special cases the Graduate School permits students who do not meet these minimum standards to continue on probation upon recommendation and support of their advisor. See iSchool Student Handbook. (https://ischool.wisc.edu/current-students/ma-requirements-overview/ma-program-planning-guides/)

ADVISOR / COMMITTEE

All continuing students are required to meet with the staff advisor prior to registering for each semester in order to remove registration holds and ensure timely progress towards degree completion. Students may switch advisors at any time by completing a change of advisor form.

CREDITS PER TERM ALLOWED

15 credits (however, 12 credits are highly encouraged)

TIME LIMITS

The maximum period for completion of the M.S. (under special circumstances) is seven calendar years. Contact the department for more information.

This program follows the Graduate School's Time Limits policy. (https://policy.wisc.edu/UW-1221/)
