OCCUPATIONAL THERAPY, M.S.

Admissions to the Occupational Therapy, M.S. will be suspended as of summer 2020. If you have any questions, please contact the department (otadmissions@education.wisc.edu).

The MS–OT (https://kinesiology.education.wisc.edu/ot/academics/msot/) program is a two-year professional program designed to prepare students for practice. It is accredited by the Accreditation Council on Occupational Therapy Education (ACOTE (http://www.aota.org/education-careers/accreditation.aspx)—6116 Executive Blvd, Suite 200, North Bethesda, MD 20852). At the master’s level, two years of didactic classroom learning is followed by 24 weeks of supervised fieldwork experiences in a variety of settings. This program meets the requirements for OTR certification set by the National Board for Certification of Occupational Therapy (NBCOT (http://www.nbcot.org/)).

The occupational therapy program resides in the Department of Kinesiology (https://kinesiology.education.wisc.edu/). Occupational therapists interested in pursuing advanced research training may also apply to the M.S. (http://guide.wisc.edu/graduate/kinesiology/kinesiology-ms/) or Ph.D. (http://guide.wisc.edu/graduate/kinesiology/kinesiology-phd/) in Kinesiology—Occupational Science Track (https://kinesiology.education.wisc.edu/academics/grad-program/occupational-sci/). The purpose of the graduate programs is to prepare clinicians, researchers, and teachers who possess a solid foundation in both the theoretical and applied aspects of the disciplines of occupational therapy and science.

ADMISSIONS

Admissions to the Occupational Therapy, M.S. will be suspended as of summer 2020. If you have any questions, please contact the department (otadmissions@education.wisc.edu).

Please consult the table below for key information about this degree program's admissions requirements. The program may have more detailed admissions requirements, which can be found below the table or on the program's website.

Graduate admissions is a two-step process between academic programs and the Graduate School. Applicants must meet the minimum requirements (https://grad.wisc.edu/apply/requirements/) of the Graduate School as well as the program(s).

Once you have researched the graduate program(s) you are interested in, apply online (https://grad.wisc.edu/apply/).

FUNDING

GRADUATE SCHOOL RESOURCES

Resources to help you afford graduate study might include assistantships, fellowships, and financial aid. Further funding information (https://grad.wisc.edu/funding/) is available from the Graduate School. Be sure to check with your program for individual policies and restrictions related to funding.

PROGRAM RESOURCES

Financial assistance, sometimes available to graduate students in occupational therapy, consists of scholarships, fellowships, and teaching, project or research assistant positions. Financial assistance is limited; opportunities vary by program and from year to year. Students who are considering applying for financial support should see the OT Program Tuition, Scholarship & Financial Aid webpage (https://kinesiology.education.wisc.edu/ot/academics/msot/tuition/) for further information.

Mode of Instruction Definitions

**Evening/Weekend:** These programs are offered in an evening and/or weekend format to accommodate working schedules. Enjoy the advantages of on-campus courses and personal connections, while keeping your day job. For more information about the meeting schedule of a specific program, contact the program.

**Online:** These programs are offered primarily online. Many available online programs can be completed almost entirely online with all online programs offering at least 50 percent or more of the program work online. Some online programs have an on-campus component that is often designed to accommodate working schedules. Take advantage of the convenience of online learning while participating in a rich, interactive learning environment. For more information about the online nature of a specific program, contact the program.

With program approval and payment of the difference in tuition (between special and graduate tuition), students are allowed to count no more than 15 credits of course work numbered 300 or above taken in UW–Madison University Special student status. Coursework earned five or more years prior to admission to a master’s degree is not allowed to satisfy requirements.

**PROBATION**

The Graduate School regularly reviews the record of any student who earned grades of BC, D, F, or Incomplete in a graduate course (300 or above), or grade of U in research credits. This review could result in academic probation with a hold on future enrollment or in being suspended from the Graduate School. See Probation (http://grad.wisc.edu/acadpolicy/#probation) on the Graduate School website.

**ADVISOR / COMMITTEE**

All students must have an assigned advisor to meet UW information management needs, and accordingly, and of its own volition, the department assigns an advisor to each student. Assigned advisors in the M. S. in Occupational Therapy (MS–OT) program are graduate research or clinical faculty. To ensure that students are making satisfactory progress toward a degree, the Graduate School expects them to meet with their advisor on a regular basis.

**CREDITS PER TERM ALLOWED**

15 credits

**TIME CONSTRAINTS**

Master’s degree students who have been absent for five or more consecutive years lose all credits that they have earned before their absence. Individual programs may count the coursework students completed prior to their absence for meeting program requirements; that coursework may not count toward Graduate School credit requirements. Level II fieldwork must be completed within 24 months of completion of coursework.

**GRADUATE SCHOOL POLICIES**

The Graduate School's Academic Policies and Procedures (https://grad.wisc.edu/acadpolicy/) provide essential information regarding general university policies. Program authority to set degree policies beyond the minimum required by the Graduate School lies with the degree program faculty. Policies set by the academic degree program can be found below.

**MAJOR-SPECIFIC POLICIES**

**PRIOR COURSEWORK**

**Graduate Work from Other Institutions**

With program approval, students are allowed to count no more than 15 credits of graduate course work from other institutions. Coursework earned five or more years prior to admission to a master’s degree is not allowed to satisfy requirements.

**UW–Madison Undergraduate**

No credits from a UW–Madison undergraduate degree are allowed to count toward the degree.

**UW–Madison University Special**

With program approval and payment of the difference in tuition (between special and graduate tuition), students are allowed to count no more than 15 credits of course work numbered 300 or above taken in UW–Madison University Special student status. Coursework earned five or more years prior to admission to a master’s degree is not allowed to satisfy requirements.

Any student who feels that they have been treated unfairly by a faculty
or staff member has the right to complain about the treatment and to
receive a prompt hearing of the grievance, following these grievance
procedures. The complaint may concern course grades, classroom
treatment, program admission, or other issues. To insure a prompt and
fair hearing of any complaint, and to protect both the rights of the student
and the person at whom the complaint is addressed, the procedures
below are used in the School of Education.

The person whom the complaint is directed against must be an employee
of the School of Education. Any student or potential student may use
these procedures unless the complaint is covered by other campus
rules or contracts. The following steps are available within the School of
Education when a student has a grievance:

1. The student should first talk with the person against whom the
grievance is directed. Most issues can be settled at this level. If the
complaint is directed against a teaching assistant, and the student
is not satisfied, the next step would be to talk to the TA’s supervisor,
who is usually the course professor. If the complaint is not resolved
satisfactorily, the student may continue to step 2.

2. If the complaint does not involve an academic department, the
procedure outlined in Step 4 below should be followed. If the
complaint involves an academic department, the student should
contact the chair of the department. The chair will attempt to resolve
the problem informally. If this cannot be done to the student’s
satisfaction, the student may submit the grievance to the chair in
writing. This must be done within 60 calendar days of the alleged
unfair treatment.

3. On receipt of a written complaint, the chair will refer the matter to a
departmental committee, which will obtain a written response from
the person at whom the complaint is directed. This response shall
be shared with the person filing the grievance. The chair will provide
a timely written decision to the student on the action taken by the
committee.

4. If either party is not satisfied with the decision of the department,
they have five working days from receipt of the decision to contact
the dean’s office (at the number below), indicating the intention to
appeal. If the complaint does not involve an academic department in
the school, the student must contact the dean’s office within 60
calendar days of the alleged unfair treatment.

5. In either case, there will be an attempt to resolve the issue informally
by the associate dean. If this cannot be done, the complaint can
be filed in writing with the dean’s office. This must be done within
10 working days of the time the appealing party was notified that
informal resolution was unsuccessful.

6. On receipt of such a written complaint, the associate dean will
convene a subcommittee of the school’s Equity & Diversity
Committee. This subcommittee may ask for additional information
from the parties involved and may hold a hearing at which both

State law contains additional provisions regarding discrimination
and harassment. Wisconsin Statutes 36.12 reads, in part: ‘No student
may be denied admission to, participation in or the benefits of, or be
discriminated against in any service, program, course or facility of
the system or its institutions or center because of the student’s race,
color, creed, religion, sex, national origin, disability, ancestry, age, sexual
orientation, pregnancy, marital status or parental status.’ In addition,
UW—System prohibits discrimination based on gender identity or gender
expression. Students have the right to file discrimination and harassment
complaints with the Office of Compliance (https://compliance.wisc.edu/),

PROFESSIONAL DEVELOPMENT

GRADUATE SCHOOL RESOURCES

Take advantage of the Graduate School’s professional development
resources (https://grad.wisc.edu/pd/) to build skills, thrive academically,
and launch your career.

LEARNING OUTCOMES

1. (Foundational Knowledge) Demonstrate an understanding of
the physical, psychological and contextual substrates of human
occupation in typical and nontypical development.

2. (Foundational Knowledge) Discuss the role of personal and
environmental factors on involvement in daily activities and
community participation.

3. (Foundational Knowledge) Critically examine and apply theories
associated with the science of human occupation and models of
interprofessional practice to service delivery.

4. (Foundational Knowledge) Demonstrate knowledge of one’s own role
and those of other professions to appropriately assess and address
the needs of clients and populations served.

5. (Scientific Inquiry and Theory Development) Articulate current
problems facing the profession of occupational therapy in an
interprofessional context with respect to theory, knowledge and
practice.

6. (Scientific Inquiry and Theory Development) Identify and critique
current knowledge, theories and evidence to inform practice.

7. (Scientific Inquiry and Theory Development) Demonstrate necessary
skills for designing a scholarly proposal that includes a research
question, relevant literature, samples, design, measurement and data
analysis.
8. (Scientific Inquiry and Theory Development) Participate in scholarly activities that evaluate professional practice, service delivery, and/or professional issues.

9. (Practice Reasoning and Decision Making) Appropriately assess clients’ participation in daily life activities and employ an interprofessional approach to determining clients’ needs within the context of family and society.

10. (Practice Reasoning and Decision Making) Identify factors within the environment that influence participation in home and community life.

11. (Practice Reasoning and Decision Making) Plan for discharge in collaboration with the client and family and terminate occupational therapy when appropriate.

12. (Professional Conduct) Articulate the values of the occupational therapy profession.

13. (Professional Conduct) Work with individuals of other professions to maintain a climate of mutual respect and shared values.

14. (Professional Conduct) Describe the varied roles of the occupational therapist as practitioner, educator, researcher, and entrepreneur.
