Admissions to the Post-Professional, OTD named option will be suspended as of fall 2022, and the program will be discontinued as of fall 2024. If you have any questions, please contact the department.

This is a named option within the Occupational Therapy, OTD (http://guide.wisc.edu/graduate/kinesiology/occupational-therapy-otd/).

The post-professional OTD program is a part-time, structured online curriculum serving occupational therapists’ need for distance access and flexibility to acquire advanced practice and leadership skills. The OTD program trains occupational therapists to become visionary leaders, engage in inter-professional education and practice, and facilitate research translation. Students enter as a cohort in the fall semester and complete the program over three years of part-time study. There is an option to complete within two years as well.

The Post-Professional OTD cultivates and grows practitioners interested in pursuit of careers in health care management, education and public service. Students enrolled in the program will already have the professional clinical training necessary for certification and licensure as occupational therapists. Through this curriculum and completion of a capstone project, occupational therapists will expand their knowledge of the health and education delivery systems, the policies influencing transformation of care in these environments and will gain the tools needed to be visionary leaders in interprofessional contexts.

Admissions to the Post-Professional, OTD named option will be suspended as of Fall 2022, and the program will be discontinued as of Fall 2024. If you have any questions, please contact the department.

This program is no longer admitting and is not accepting applications.

For students interested in Occupational Therapy, see the admitting program of Occupational Therapy: Entry Level, OTD (http://guide.wisc.edu/graduate/kinesiology/occupational-therapy-otd/occupational-therapy-entry-level-otd/).

### POLICIES

#### GRADUATE SCHOOL POLICIES

The Graduate School’s Academic Policies and Procedures (https://grad.wisc.edu/acadpolicy/) provide essential information regarding general university policies. Program authority to set degree policies beyond the minimum required by the Graduate School lies with the degree program faculty. Policies set by the academic degree program can be found below.

#### NAMED OPTION-SPECIFIC POLICIES

### PRIOR COURSEWORK

#### Graduate Work from Other Institutions

With program approval, students are allowed to count up to 30 credits of graduate coursework from other institutions. Coursework should be less than five years old to be considered; additional justification and/or documentation are needed for work taken between five and ten years. Work more than ten years old will not be considered.

#### UW-Madison Undergraduate

No undergraduate coursework will be allowed to count toward OTD requirements.

#### UW-Madison University Special

With program approval and payment of the difference in tuition (between University Special and Graduate tuition), students are allowed to count no more than 9 credits of coursework numbered 300 or above taken as a UW-Madison University Special student. These credits are considered part of the total allowable credits available for a student to transfer. Coursework should be less than five years old to be considered; additional justification and/or documentation is needed for work taken between five and ten years. Work more than ten years old will not be considered.

#### PROBATION

This program follows the Graduate School’s Probation policy (https://policy.wisc.edu/library/UW-1217/).

#### ADVISOR / COMMITTEE

Every graduate student is required to have an advisor to meet UW information management needs, and accordingly, and of its own volition, the department assigns an advisor to each student. The advisor is a graduate or clinical faculty member.

This program follows the Graduate School’s Advisor policy (https://policy.wisc.edu/library/UW-1232/) and Committees policy (https://policy.wisc.edu/library/UW-1201/)

To ensure that students are making satisfactory progress toward a degree, the Graduate School expects them to meet with their advisor on a regular basis. The OTD Program Coordinator will advise students in the early stages of their studies until a permanent advisor is assigned. The advisor may also serve on the student’s capstone project committee.

#### CREDITS PER TERM ALLOWED

#### TIME LIMITS

GRIEVANCE POLICY AND PROCEDURES

The following School of Education Student Grievance Policy and

associated procedures are designed for use in response to individual

student grievances regarding faculty or staff in the School of Education.

For grievances about, or directed at, faculty or staff in a School of

Education department, unit, or program, students should follow these

steps:

1. Students are strongly encouraged to first talk with the person against

whom the concern is directed. Many issues can be settled informally

at this level. If students are unable to resolve concerns directly or

without additional support, step 2 or 3 should be pursued.

2. If unresolved after taking or considering step 1:

   a. If the concern is directed against a teaching assistant (TA), and
      the student is not satisfied, the student should contact the TA’s
      supervisor, who is usually the course professor. The course
      professor will attempt to resolve the concern informally.

   b. If the concern involves a non-TA instructor, staff member,
      professor, academic department, or School of Education office
      or unit, the student should contact the chair of the department
      or the director of the office or unit, or their designee. The chair
      or director, or their designee, will attempt to resolve the concern
      informally. If the concern is about the department chair or office/
      unit director, the student should consult the School of Education
      Senior Associate Dean for guidance.

3. If the concern remains unresolved after step 2, the student may submit

   a formal grievance to the chair or director in writing within 30 business
   days of the alleged unfair treatment. To the fullest extent possible, a
   formal written grievance shall contain a clear and concise statement of
   the issue(s) involved and the relief sought.

4. On receipt of a written grievance, the chair or director will notify the

   person at whom the grievance is directed with a copy of the written
   grievance. The person at whom the complaint is directed may submit a
   written response, which would be shared with the student.

5. On receipt of a written grievance, the chair or director will refer the

   matter to a department, office, or unit committee comprised of at
   least two members. The committee may be an existing committee or
   one constituted for this purpose. The committee, or delegates from
   the committee, may meet with the parties involved and/or review any
   material either party shares with the committee.

6. The committee will provide a written description of the facts of the

   grievance and communicate recommendations to the department
   chair or office/unit head regarding how the grievance should be
   handled.

7. The chair or director will offer to meet with the student who made

   the grievance and also will provide a written decision to the student,
   including a description of any related action taken by the committee,
   within 30 business days of receiving the formal grievance.

For the purpose of this policy, business days refers to those days

when the University Offices are open and shall not include weekends,

university holidays, spring recess, or the period from the last day of

exams of fall semester instruction to the first day of spring semester

instruction. All time limits may be modified by mutual consent of the

parties involved.

If the grievance concerns an undergraduate course grade, the decision of

the department chair after reviewing the committee’s recommendations is

final.

Other types of grievances may be appealed using the following

procedures:

For grievances regarding discrimination based on protected bases

(i.e., race, color, national origin, sex, disability, age, etc.), contact the Office

1. Both the student who filed the grievance or the person at whom the grievance was directed, if unsatisfied with the decision of the department, office or unit, have five (5) business days from receipt of the decision to contact the Senior Associate Dean, indicating the intention to appeal.

2. A written appeal must be filed with the Senior Associate Dean within 10 business days of the time the appealing party was notified of the initial resolution of the complaint.

3. On receipt of a written appeal, the Senior Associate Dean will convene a sub-committee of the School of Education’s Academic Planning Council. This subcommittee may ask for additional information from the parties involved and/or may hold a meeting at which both parties will be asked to speak separately (i.e., not in the room at the same time).

4. The subcommittee will then make a written recommendation to the Dean of the School of Education, or their designee, who will render a decision. The dean or designee’s written decision shall be made within 30 business days from the date when the written appeal was filed with the Senior Associate Dean. For undergraduate students, the dean or designee’s decision is final.
