CREDITS PER TERM ALLOWED
MIPA: Credit load by term varies. Students typically take 10 credits in their first semester in the program, increasing to 12 credits for the next two semesters so that they can plan a lighter load of 9 credits when in their final spring semester due to demands from their workshop course. Students need advisor approval to take 15 credits.

MIPA accelerated track: 12 credits

TIME CONSTRAINTS
Master's degree students who have been absent for five or more consecutive years lose all credits that they have earned before their absence. Individual programs may count the coursework students completed prior to their absence for meeting program requirements; that coursework may not count toward Graduate School credit requirements.
