### Mathematics, M.A.

Ph.D. students in the math department and students enrolled in other UW–Madison Ph.D. programs are eligible to earn an M.A. degree with the named option titled Foundations for Research (FR) ([http://guide.wisc.edu/graduate/mathematics/mathematics-ma/mathematics-foundations-research-ma/](http://guide.wisc.edu/graduate/mathematics/mathematics-ma/mathematics-foundations-research-ma/)).

The M.A. degree is available with the named option titled Foundations of Advanced Studies (FAS) ([http://guide.wisc.edu/graduate/mathematics/mathematics-ma/mathematics-foundations-advanced-studies-ma/](http://guide.wisc.edu/graduate/mathematics/mathematics-ma/mathematics-foundations-advanced-studies-ma/)). It is designed to strengthen the student's mathematics background and enhance the opportunities for applications to Ph.D. programs and for employment as a mathematician in nonacademic environments.

### Amissions

Students apply to the Master of Arts in Mathematics through the named option or the Ph.D.:

- The Foundations for Research ([http://guide.wisc.edu/graduate/mathematics/mathematics-ma/mathematics-foundations-research-ma/](http://guide.wisc.edu/graduate/mathematics/mathematics-ma/mathematics-foundations-research-ma/)) named option is offered for work leading to the Ph.D. Students may not apply directly for the master's, and should instead see the admissions information for the Ph.D ([https://guide.wisc.edu/graduate/mathematics/mathematics-phd/#admissionstext](https://guide.wisc.edu/graduate/mathematics/mathematics-phd/#admissionstext)).

### Funding

### Graduate School Resources

Resources to help you afford graduate study might include assistantships, fellowships, traineeships, and financial aid. Further funding information ([https://grad.wisc.edu/funding/](https://grad.wisc.edu/funding/)) is available from the Graduate School. Be sure to check with your program for individual policies and restrictions related to funding.

### Requirements

#### Minimum Graduate School Requirements

Review the Graduate School minimum academic progress and degree requirements ([http://guide.wisc.edu/graduate/#policiesandrequirementstext](http://guide.wisc.edu/graduate/#policiesandrequirementstext)), in addition to the program requirements listed below.

#### Major Requirements

##### Curricular Requirements

### Named Options

A named option is a formally documented sub-major within an academic major program. Named options appear on the transcript with degree conferral. Students pursuing the Master of Arts in Mathematics must select one of the following named options:

View as listView or grid

### Policies

Students should refer to one of the named options for policy information:

PROFESSIONAL DEVELOPMENT

GRADUATE SCHOOL RESOURCES
Take advantage of the Graduate School's professional development resources (https://grad.wisc.edu/pd/) to build skills, thrive academically, and launch your career.

LEARNING OUTCOMES
1. Learn a substantial body of mathematics presented in introductory graduate level courses in mathematics.
2. Select and utilize appropriate methodologies to solve problems.
3. Communicate clearly in written/oral presentations.
4. Recognize and apply principles of ethical and professional conduct.
