MECHANICAL ENGINEERING, M.S.

The Department of Mechanical Engineering offers a number of master of science (M.S.) degree programs in Mechanical Engineering.

- M.S. Mechanical Engineering: Research (2 tracks) ([http://guide.wisc.edu/graduate/mechanical-engineering/mechanical-engineering-ms/mechanical-engineering-research-ms/](http://guide.wisc.edu/graduate/mechanical-engineering/mechanical-engineering-ms/mechanical-engineering-research-ms/))
  - Thesis
  - Independent Study (*Fall 2021 is the final term in which students can select this track. Students admitted to Spring 2022 and beyond will be required to follow the ‘thesis’ track.*)
- M.S. Mechanical Engineering: Accelerated Program ([http://guide.wisc.edu/graduate/mechanical-engineering/mechanical-engineering-ms/mechanical-engineering-accelerated-program-ms/](http://guide.wisc.edu/graduate/mechanical-engineering/mechanical-engineering-ms/mechanical-engineering-accelerated-program-ms/))
- M.S. Mechanical Engineering: Automotive Engineering ([http://guide.wisc.edu/graduate/mechanical-engineering/mechanical-engineering-ms/mechanical-engineering-automotive-engineering-ms/](http://guide.wisc.edu/graduate/mechanical-engineering/mechanical-engineering-ms/mechanical-engineering-automotive-engineering-ms/))
- M.S. Mechanical Engineering: Modeling and Simulation in Mechanical Engineering ([http://guide.wisc.edu/graduate/mechanical-engineering/mechanical-engineering-ms/mechanical-engineering-modeling-simulation-mechanical-engineering-ms/](http://guide.wisc.edu/graduate/mechanical-engineering/mechanical-engineering-ms/mechanical-engineering-modeling-simulation-mechanical-engineering-ms/))

The M.S. Mechanical Engineering degree with a named option in Research takes approximately two years to complete. The thesis track has a significant research component giving students valuable hands-on research experience with mentoring by faculty in the Department of Mechanical Engineering. The independent study track has a stronger focus on coursework but also requires at least 3 credits of independent study mentored by faculty in the Department of Mechanical Engineering. (*Fall 2021 is the final term in which students can select the ‘independent study’ track. Students admitted to Spring 2022 and beyond will be required to follow the ‘thesis’ track.*)

The M.S. Mechanical Engineering degree with named options in Accelerated Program; Automotive Engineering; and Modeling and Simulation in Mechanical Engineering; each take approximately 3 terms (1 calendar year) to complete. These three programs include only coursework.

All students are mentored by the world-class faculty in the mechanical engineering department at UW--Madison. For a list of mechanical engineering faculty along with faculty research interests, please visit our faculty directory ([https://directory.engr.wisc.edu/display.php?faculty/?page=me&search=faculty](https://directory.engr.wisc.edu/display.php?faculty/?page=me&search=faculty)). For more information on research areas see our page on research in Mechanical Engineering ([https://www.engr.wisc.edu/department/mechanical-engineering/research-in-mechanical-engineering/](https://www.engr.wisc.edu/department/mechanical-engineering/research-in-mechanical-engineering/)).
