Molecular and Environmental Toxicology, Doctoral Minor

Admissions

Doctoral minors are open to all students who are already members of a doctoral program. Students interested in a minor in Molecular and Environmental Toxicology are encouraged to contact Mark Marohl, the program administrator, mdmarohl@wisc.edu.

Requirements

Students in other fields who elect to minor in Molecular and Environmental Toxicology must satisfactorily complete a total of 10 credits in the program. Satisfactory completion of the minor requires a B average or better in the selected courses.

Required Courses
