GRADUATE SCHOOL POLICIES
The Graduate School's Academic Policies and Procedures (https://grad.wisc.edu/acadpolicy/) provide essential information regarding general university policies. Program authority to set degree policies beyond the minimum required by the Graduate School lies with the degree program faculty. Policies set by the academic degree program can be found below.

MAJOR-SPECIFIC POLICIES

PRIOR COURSEWORK
Graduate Credits Earned at Other Institutions
No more than 6 credits may be approved for graduate coursework taken at other institutions.

Undergraduate Credits Earned at Other Institutions or UW-Madison
The Graduate School allows departments to review requests to transfer up to 7 credits of undergraduate work at UW-Madison toward graduate program requirements, but this is rarely approved by the Mead Witter School of Music faculty.

Credits Earned as a Professional Student at UW-Madison (Law, Medicine, Pharmacy, and Veterinary careers)
Refer to the Graduate School: Transfer Credits for Prior Coursework (https://policy.wisc.edu/library/UW-1216/) policy.

Credits Earned as a University Special Student at UW-Madison
Some students may have completed coursework numbered 300 or above at UW-Madison as a University Special student. With program approval, coursework so taken may be considered to fulfill up to 6 credits of graduate program requirements.

PROBATION
MM students who fail to make satisfactory progress in any of the four following areas: grades, course load, time limits, or exams, will be notified in writing by the Director of Graduate Study. At the end of the second semester of failing to make satisfactory progress the student is placed on probation effective the next semester. This action suspends financial aid (but does not affect loans or work-study). See details in the Satisfactory Progress for Master's Students (https://kb.wisc.edu/mwsomkb/114465)/.

ADVISOR / COMMITTEE
All programs provide for faculty from several disciplines to follow the student's progress through the degree, provide mentorship along the way, and assess the student's success in reaching expected learning outcomes.

Music Education students have a committee of three or more graduate faculty, including the major professor.

The principal advisor for most graduate students in the Mead Witter School of Music is generally referred to as the major professor. In all programs the major professor is determined with the student's particular interests in mind.

The Director of Graduate Studies is also an advisor for all graduate students in Mead Witter School of Music programs. Students are expected to consult with the Director of Graduate Studies at least once per semester to determine appropriate course plans. Consultation is mandatory in the semester before intended graduation.

CREDITS PER TERM ALLOWED
15 credits

TIME LIMITS
MM and MA students not receiving university funding are expected to complete requirements and pass comprehensive examinations within seven years from the time of enrollment in the program. While graduate students may enroll on a part-time basis, this time constraint still applies.

All MM and MA students holding teaching assistant, project assistant, or fellowship appointments must complete requirements for the degree within four semesters (not counting summer sessions or thesis credits). If the appointment is more than 33.4% the expectation is to complete requirements in the sixth semester.
