

# MUSIC: PERFORMANCE, M.M.

The mission of the Mead Witter School of Music is:

- to provide a rich, integrated program of undergraduate and graduate education that promotes the highest levels of professional, creative, and scholarly development while challenging students to achieve their greatest potential;
- to cultivate an environment that inspires creativity, stimulates intellectual curiosity, and fosters critical thinking; and
- to serve the university community, the public, and the profession through performance, composition, scholarship, music education, outreach, and engagement.

The Mead Witter School of Music enriches students' educational experience by hosting guest artists and scholars for master classes, recitals, colloquia, seminars, and festivals. Its performing organizations and ensembles perform more than 350 recitals and concerts every year, making a significant contribution to the cultural life of the university and the wider Madison community.

Mead Witter School of Music views its goals and objectives as complementary to those of the University of Wisconsin–Madison, which include "to provide an environment in which faculty and students can discover, examine critically, preserve and transmit the knowledge, wisdom and values that will help ensure the survival of the present and future generations with improvement in the quality of life."

The University of Wisconsin–Madison School of Music is accredited by the National Association of Schools of Music (NASM), and has been an institutional member of NASM since 1966.

## DEGREES AND MAJORS

The master of music in music: performance is offered with majors in brass; composition; guitar; percussion; piano performance; collaborative piano; piano performance and pedagogy; organ; string performance; vocal performance; opera; woodwinds; multiple woodwinds; choral conducting; orchestral conducting; wind conducting.

A double master's degree with the Information School is also offered.

After completing their degree, some master's degree students may be interested in application to the DMA (doctor of musical arts) program. Entrance to the DMA program is upon recommendation of the faculty of the relevant performance area and usually requires an audition. No new application to the Graduate School or to the Mead Witter School of Music is required.

The DMA and the Ph.D. are the highest degrees conferred by the Mead Witter School of Music. The DMA is granted for evidence of general proficiency and distinctive attainment in a specialized field of performance. The student's ability in independent investigation is demonstrated through a series of recitals and in a final project presenting original research or creative scholarship.

Master's degrees require a minimum of 30 credits. Each degree track varies slightly, and details are provided in the course lists available through the Requirements tab. Contact the Mead Witter School of Music graduate office, [gradadmissions@music.wisc.edu](mailto:gradadmissions@music.wisc.edu), for complete explanations of the M.M.–music: performance degree.

The M.M.–music performance degree offers tracks for many major specialties, instrumental and vocal. Faculty members in the appropriate area designate a major professor for each new student the first semester of enrollment. Whenever possible the faculty strive to match the student with the major professor if the applicant to the program has indicated a preference.

Students normally take four semesters (two calendar years) to complete the degree requirements, including the final recital. There are two committees of faculty that assess the student's achievement of learning outcomes: the recital committee and the examination committee. The student consults with the major professor to determine the membership of the recital committee. The examination committee administers the comprehensive examination in the final semester in which the student fulfills course requirements. More details are accessible through the Policies (p. 16) tab or in the Mead Witter School of Music Graduate Handbook (<https://www.music.wisc.edu/wp-content/uploads/2020/02/SOM-Grad-Handbook-1.pdf>), which lists all academic policies and procedures in music graduate programs. All students need to be familiar with the Graduate School's Academic Policies and Procedures (<https://grad.wisc.edu/acadpolicy/>).

Mentoring of students is of prime importance to faculty members at Mead Witter School of Music. The faculty advisor and the director of graduate studies both guide the student's course planning. While each faculty member has a unique style, every student can be assured of abundant time working closely with more than one mentor in addition to the advisor during the course of a UW–Madison degree program. Take some time to access the Overview tab and review the Mead Witter School of Music mission statement, as well as the information available through the Learning Outcomes (p. 17) tab. These offer a glimpse of the values shared among the faculty and staff.

## ADMISSIONS

Please consult the table below for key information about this degree program's admissions requirements. The program may have more detailed admissions requirements, which can be found below the table or on the program's website. Graduate admissions is a two-step process between academic programs and the Graduate School. **Applicants must meet** the minimum requirements (<https://grad.wisc.edu/apply/requirements/>) **of the Graduate School as well as the program(s).**

Once you have researched the graduate program(s) you are interested in, apply online (<https://grad.wisc.edu/apply/>).

Requirements	Detail
Fall Deadline	December 1
Spring Deadline	The program does not admit in the spring.
Summer Deadline	The program does not admit in the summer.
GRE (Graduate Record Examinations)	Not required.

**English Proficiency Test** Every applicant whose native language is not English or whose undergraduate instruction was not in English must provide an English proficiency test score and meet the Graduate School minimum requirements (<https://grad.wisc.edu/apply/requirements/#english-proficiency>). Every international student from a non-English speaking country must submit a TOEFL score of 85 or higher. The Mead Witter School of Music does NOT waive the TOEFL requirement for students who have completed a degree at an American university.

Other Test(s) (e.g., GMAT, MCAT)	n/a
Letters of Recommendation Required	3

Minimum admission requirements of the Graduate School apply to all applicants for graduate study in music. The Mead Witter School of Music has additional requirements. Applicants should have a bachelor's degree in music or equivalent foundational course work as required by each area of study. An undergraduate GPA of 3.0 (on a 4.0 scale, calculated on the last 60 credit hours) is necessary for full admission. The M.M. program involves substantial academic work and requires excellent reading, writing, and speaking skills. Therefore, all international students are required to submit a TOEFL score. See the Mead Witter School of Music graduate admissions website (<http://www.music.wisc.edu/admissions/graduate/>) for information on minimum score requirements. The Mead Witter School of Music does **not** waive the TOEFL score requirement for students who have completed a degree at an American university. Typically, performance applicants are required to audition in person. For details on specific audition requirements and additional application materials, visit the School of Music graduate admissions website (<http://www.music.wisc.edu/admissions/graduate/>).

## FUNDING

### GRADUATE SCHOOL RESOURCES

Resources to help you afford graduate study might include assistantships, fellowships, traineeships, and financial aid. Further funding information (<https://grad.wisc.edu/funding/>) is available from the Graduate School. Be sure to check with your program for individual policies and restrictions related to funding.

### PROGRAM RESOURCES

Through the generosity of Paul J. Collins, the Mead Witter School of Music is the recipient of a substantial fellowship fund which, in combination with the Graduate School and UW Foundation, allows the school to offer multiple-year funding to the highest quality graduate students in performance. The Collins fellowships, along with The Lorna Wendt and Anonymous Fund Fellowships for Choral and Voice students, are offered as Wisconsin Distinguished Fellowships and provide full tuition and fees, a generous stipend, additional funds, and comprehensive health care. Nomination by a performance faculty member—usually following an on-site audition—is required for consideration.

The Mead Witter School of Music also offers teaching and project assistantships in music history, music theory, piano, conducting, voice, and other performance areas. These positions offer tuition remission

plus a salary and health care benefits. In addition, the Mead Witter School of Music selects qualified applicants for the Chancellor's Fellowship, University Fellowship, and Advanced Opportunity Fellowship. The UW–Madison Office of Student Financial Aid assists students in obtaining general grants and loans. All Mead Witter School of Music students who receive funding are required to enroll full-time with 8–12 graduate credits.

### MAJOR REQUIREMENTS

#### MODE OF INSTRUCTION

Face to Face	Evening/Weekend	Online	Hybrid	Accelerated

#### Mode of Instruction Definitions

**Accelerated:** Accelerated programs are offered at a fast pace that condenses the time to completion. Students are able to complete a program with minimal disruptions to careers and other commitments.

**Evening/Weekend:** Courses meet on the UW–Madison campus only in evenings and/or on weekends to accommodate typical business schedules. Students have the advantages of face-to-face courses with the flexibility to keep work and other life commitments.

**Face-to-Face:** Courses typically meet during weekdays on the UW–Madison Campus.

**Hybrid:** These programs combine face-to-face and online learning formats. Contact the program for more specific information.

**Online:** These programs are offered 100% online. Some programs may require an on-campus orientation or residency experience, but the courses will be facilitated in an online format.

### CURRICULAR REQUIREMENTS

#### Requirements Detail

Minimum Credit Requirement	30 credits
----------------------------	------------

Minimum Residence Credit Requirement	16 credits
--------------------------------------	------------

Minimum Graduate Coursework Requirement	Half of degree coursework (15 credits out of 30 total credits) must be completed graduate-level coursework; courses with the Graduate Level Coursework attribute are identified and searchable in the university's Course Guide ( <a href="https://registrar.wisc.edu/course-guide">https://registrar.wisc.edu/course-guide</a> ( <a href="https://registrar.wisc.edu/course-guide/">https://registrar.wisc.edu/course-guide/</a> )).
---	---

Overall Graduate GPA Requirement	3.25 GPA required.
----------------------------------	--------------------

**Other Grade Requirements** Graduate students at UW–Madison must meet expectations for satisfactory progress toward completion of the degree while enrolled. In School of Music graduate programs, a graduate student must maintain a cumulative grade point average (GPA) of 3.25. Even though grades below B do not count for graduate credit toward the degree, those grades are included in computation of the GPA.

In the first semester in which the cumulative GPA falls below 3.25 the director of graduate studies will notify the student in writing. After a second semester in which the GPA remains below 3.25 the student will be placed on probation for the next semester enrolled. This action suspends all financial aid awards through UW–Madison, though loans and work-study are not affected. Failure to raise the GPA to 3.25 or above in the probation semester results in the student's withdrawal from the Graduate School and from the School of Music program.

To maintain satisfactory progress School of Music students on UW–Madison funding (teaching assistants, project assistants, fellows, and scholarship recipients) must maintain full-time status. A student's satisfactory progress is also in jeopardy should a major project or recital be judged incomplete or deficient. Failure of one or more parts of the comprehensive examinations, preliminary examinations, or final defense is also considered a lapse in satisfactory progress.

**Assessments and Examinations** In addition to evaluations in individual classes, School of Music programs examine graduate students at defined points in their career.

For master's students, comprehensive examinations measure the candidate's range of musical knowledge in both fields of music history and the major.

**Language Requirements** All School of Music doctoral programs require proficiency at the intermediate level in at least one foreign language. The Historical Musicology track requires proficiency in German. Foreign language proficiency assures that the student has the tools needed to pursue comprehensive research in the major field. Details on foreign language requirements and ways to fulfill proficiency expectations are outlined in the course lists available through the Requirements tab for each degree. This information is also available in the advising worksheets for each degree major track.

## REQUIRED COURSES

The following chart outlines the course requirements for all of the available M.M.–music performance degrees. Note that each one has particular requirements, and that the total credits vary among majors. Important academic policy information is available through the Policies tab, in the Mead Witter School of Music Graduate Handbook (<http://www.music.wisc.edu/wp-content/uploads/2014/05/SOM-Graduate-Handbook-Booklet-jrdrev-2.pdf>), and in the Graduate School's Academic Academic Policies and Procedures (<https://grad.wisc.edu/acadpolicy/>). ## POLICIES

### GRADUATE SCHOOL POLICIES

The Graduate School's Academic Policies and Procedures (<https://grad.wisc.edu/acadpolicy/>) provide essential information regarding general university policies. Program authority to set degree policies beyond the minimum required by the Graduate School lies with the degree program faculty. Policies set by the academic degree program can be found below.

## MAJOR-SPECIFIC POLICIES

### PRIOR COURSEWORK

#### Graduate Work from Other Institutions

No more than 6 credits may be approved for graduate coursework taken at other institutions.

#### UW–Madison Undergraduate

The Graduate School allows departments to review requests to count up to 7 credits of undergraduate work at UW–Madison toward graduate program requirements, but this is rarely approved by the Mead Witter School of Music faculty.

#### UW–Madison University Special

Some students may have completed coursework at 300-level or above at UW–Madison as a Special Student; with program approval coursework so taken may be considered to fulfill up to 6 credits of graduate program requirements.

### PROBATION

M.M. students who fail to make satisfactory progress in any of the four following areas: grades, course load, time constraints, or exams, will be notified in writing by the DGS. At the end of the second semester of failing to make satisfactory progress the student is placed on probation effective the next semester. This action suspends financial aid (but does not affect loans or work-study). See details in the Satisfactory Progress for Master's Students (<http://uwsom.wperengine.com/wp-content/uploads/2014/05/MastersSatisfactoryProgress.pdf>).

### ADVISOR / COMMITTEE

All programs provide for faculty from several disciplines to follow the student's progress through the degree, provide mentorship along the way, and assess the student's success in reaching expected learning outcomes. Committee structures differ among degrees and majors. The principal advisor for most graduate students in the Mead Witter School of Music is generally referred to as the major professor. In all programs the major professor is determined with the student's particular interests in mind. In music performance programs, the faculty attempts, whenever possible, to assign the major professor based upon a student's request.

The director of graduate studies is also an advisor for all graduate students in Mead Witter School of Music programs. Students are expected to consult with the director of graduate studies at least once per semester to determine appropriate course plans. Consultation is mandatory in the semester before intended graduation.

### CREDITS PER TERM ALLOWED

15 credits

### TIME CONSTRAINTS

M.M. and M.A. students not receiving University funding are expected to complete requirements and pass comprehensive examinations within seven years from the time of enrollment in the program. While graduate students may enroll on a part-time basis, this time constraint still applies.

All M.M. and M.A. students holding teaching assistant, project assistant, or fellowship appointments must complete requirements for the degree within four semesters (not counting summer sessions or thesis credits). If the appointment is more than 33.4% the expectation is to complete requirements in the sixth semester.
